The District will send copies of any new job description deemed management, confidential or supervisory to the CSEA Chapter President or designee, at least one (1) week prior to the first Board of Trustees meeting where it is on the agenda. Disputed cases, if not resolved informally between the parties, may be submitted to PERB for resolution.
- 2.** The Unit consists of employees in the classifications shown in the attached Salary Schedules including Human Resources Technician, and excluding positions within classifications which have been designated as confidential.
- 3.** This Agreement applies only to employees in the above-described representation unit.
- 4.** The Unit as recognized by the District may be modified by (1) mutual agreement of the parties or (2) by decision rendered by the Public Employment Relations Board on any contested positions.
- 5.** The District shall provide, upon request, CSEA with a list of individuals performing CSEA bargaining unit work including but not limited to temporary/short term positions throughout the District to ensure compliance with the Education Code.

## ARTICLE 2

Further, the District will provide release time of no more than sixteen (16) hours a month in total for members of the unit, designated by the Association for labor relations activities (other than grievance administration and negotiations). Any additional release time will be provided upon mutual agreement of CSEA and Human Resources.
3. The District agrees to provide release time of a total of forty-eight (48) hours per year. This will be used by CSEA members who are appointed to State CSEA Committees to attend State Committee meetings. This Section 3 does not affect provisions of Section 2 above.
4. Up to a maximum of two (2) CSEA chapter delegates shall be granted release time to attend the CSEA annual conference, not to exceed five (5) working days per delegate.
5. The District authorizes the Association to use without charge bulletin board space on bulletin boards located in the mail room at each site for the purpose of posting CSEA notices and communications.
6. The Association shall have the right to use, without charge, District mailboxes and the phone system for inter-district communication to employees.
7. The Association may use school facilities, when not otherwise used for educational purposes, without charge, for CSEA meetings. The Association agrees to leave such facilities in the same condition as the facility was in prior to the meeting.
8. The District shall furnish to the Association upon request, non-confidential information related to wages, hours or other terms and conditions of employment which are relevant to the Association to fulfill its duties and obligations as the exclusive representative of bargaining unit members covered by this Agreement. Such information shall include salary data, budget documents, and seniority lists. The District will advise the Association of any costs related to the compilation and reproduction of the data in advance.
9. Bargaining unit members shall provide the District with their current mailing address and shall notify the District in writing within thirty (30) days of each change of address. Said notice shall be on a District form. Copies shall be provided to the Association.

This term is not subject to the grievance provision. In the event that either party believes that the other has violated this provision, they may request a meeting to discuss the violation.
15. **Employee Onboarding (Gov. Code §§ 3555-3559)**  
This section implements the terms of Government Code sections 3555-3559. The Parties acknowledge that this section fully complies with and exhausts the Parties' obligation to negotiate pursuant to Government Code Section 3557.
- a. DISTRICT NOTICE TO CSEA OF NEW HIRES
- i. Provide CSEA With Notice of New Hires: The District shall provide the CSEA Labor Relations Representative and the CSEA COM #196 Chapter President notice of any newly-hired classified employee within ten (10) business days via electronic mail. The notice shall contain the following information:
- Employee name
  - Date of hire
  - Job title
  - Department
  - Work location
  - Work, home, and personal cellular telephone numbers on file with the District
  - Personal email addresses on file with the District
  - Home address
- ii. Definition of Newly Hired Employee: "Newly hired employee" or "new hire" means any employee, whether permanent, full time, part time, hired by the District into the classified service, to a classification within the bargaining unit for which CSEA is recognized as the exclusively recognized employee organization. It also includes all employees who are or have been previously employed by the District and whose current position has placed them in the bargaining unit represented by CSEA.
- b. EMPLOYEE INFORMATION
- i. On the last workday of each month, the District shall provide to CSEA, via a mutually agreeable secure FTP site or service, the name and the following contact information for the new hires. This information shall be provided to CSEA even if the newly hired employee was previously employed by the District, separated from service, and is now

returning to service with the District.

ii. The information shall include the following items, with each field in its own column:

- a) First Name;
- b) Middle initial;
- c) Last name;
- d) Suffix (e.g. Jr., III);
- e) Job Title;
- f) Department;
- g) Primary worksite name;
- h) Work telephone number;
- i) Home Street address (incl. apartment #);
- j) City;
- k) State;

c. NEW EMPLOYEE ORIENTATION

- i. Definition of New Employee Orientation: "New employee orientation" means the onboarding process of a newly-hired public employee, whether in person, online, or through other means or mediums, in which employees are advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.
- ii. New Employee Orientations
  - a) The District shall provide CSEA mandatory access to its new employee orientations. CSEA shall receive not less than ten (10) days' notice of the time, date, and location of a new employee orientation in advance of the new employee orientation, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the District's operations that was not reasonably foreseeable. As an alternative to the ten (10) days' notice, the Parties may establish an annual schedule for such new employee orientations.
  - b) In the event the District conducts group orientations, CSEA will be given thirty (30) minutes at the end of each new employee orientation meeting to present union membership information to employees in CSEA's bargaining unit. No

more than two (2) representatives of CSEA may present the information to the employees.

- c) In the event the District conducts one-on-one orientations, CSEA shall have thirty (30) minutes of paid release time, plus travel time as needed, for one (1) CSEA representative to conduct the orientation session. The CSEA Labor Relations Representative may also attend the orientation session.

- iii. The District will provide reasonable release time as specified herein for CSEA representatives who are District employees to conduct the new employee orientation, unless unusual operational needs interfere with the release of the employee. In this case, the District will provide CSEA and the employee with a written explanation of why the employee could not be released for that particular orientation. An employee who is released to conduct the orientation may attend and travel to and from the orientation on work time if the employee is regularly scheduled to work during that time. Said release time shall be counted against the total release time contained elsewhere in the collective bargaining agreement.
- iv. The purpose of the CSEA portion of the new employee orientation meeting will be to discuss the rights and obligations created by the governing CBA, the role of representation, and to answer any questions. Management representatives shall excuse themselves and not be present during the CSEA portion of the orientation.

- i. Definition of a "Grievant": The "Grievant" shall only be CSEA and its College of Marin Chapter #196. No single employee or group of employees may grieve this agreement, unless they are authorized representatives of CSEA and its College of Marin Chapter #196 and grieving on behalf of the union. This provision shall supersede Article 16 section 1b. Definitions of the collective bargaining agreement.
- ii. The grievance procedure shall commence at the Formal Level III of Article 16 Grievance Procedure.

## ARTICLE 3

### DISTRICT RIGHTS

1. All matters not specifically enumerated in this Agreement are reserved to the District as provided by law.
2. In the event of an emergency, the District shall have the right to rescind that portion of this Agreement directly related to the nature of the emergency. The District shall provide notice to CSEA of its decision to rescind any portion of this Agreement within 24 hours. The District will amend its written policies and procedures and take such other action by Resolution or otherwise as may be necessary to give full force and effect to the provisions of this Agreement.

The District will establish and implement administrative regulations which are consistent with the law.

4. The District's rights as stated above shall not be construed or interpreted to be a waiver of CSEA's right to negotiate all mandatory subjects of bargaining as established by the Educational Employment Relations Act and as determined by the Public Employment Relations Board.
5. In the course of the District/Union collective bargaining agreement (successor and reopener) negotiations, Labor Management Committee meetings, contractually-designated committee meetings (Reclassification Committee, Safety Committee), disciplinary meetings, and in response to requests for necessary and relevant information, the District and CSEA shall not knowingly make a false statement of material fact or law. This term is not subject to the grievance provision. In the event that either party believes that the other has violated this provision, they may request a meeting to discuss the violation.

## **ARTICLE 4**

### **DUES AND REPRESENTATION**

#### **1. Employee Rights**

- a. Neither Party shall discriminate against an employee in the exercise of these alternative rights.
- b. Accordingly, membership in CSEA shall not be compulsory. A unit member has the right to choose to become a member of CSEA
- c. Employee requests to cancel dues deductions shall be directed to CSEA.

- d. The District is under no obligation to make payroll deductions for periods during which a unit member is either terminated from employment or not on the District's payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.
- e. Upon the rehiring of any unit member, or upon the recalling of a unit member from layoff status, the District will treat such unit member as a new unit member for purposes of this Article.

#### **3. Hold Harmless and Indemnity Provision**

- a. CSEA as defined in this Agreement shall hold the District harmless, and shall fully and promptly reimburse the District for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, which are actually brought, against the District or any of its agents, in connection with the administration or enforcement of any Section in this Agreement pertaining to dues. Such reimbursement shall include, but not be limited to, court costs, litigation expense, and attorney's fees incurred by the District.
- b. Upon notice that the District is going to seek indemnification or to be held harmless under this provision, CSEA shall have the right to meet with the District regarding the reasonableness

and merit of any claim, demand, suit or action for which the District seeks indemnification, and shall attempt to agree whether any such action shall be compromised, resisted, defended, tried, or appealed.

- c.** In determining whether or not such action shall be compromised, resisted, defended, tried or appealed, the District will defer to CSEA's interests if the District does not have a distinct and separate legal interest in the disputed matter.
- d.** The District shall not be entitled to be reimbursed for any costs for which CSEA was not properly notified and provided the opportunity to discuss as set forth herein; nor will the District be entitled to any reimbursement when the District's efforts in defending against such action would be duplicative, or when the District does not have a separate and distinct interest to defend.

## ARTICLE 6

### HOURS OF EMPLOYMENT

#### 1. Flexibility in Hours of Employment and Work Location

The flexible work schedule and remote work programs detailed in this Article are a pilot program to be in effect from January 1, 2023 through December 31, 2025 only. At that time, both programs will be eliminated and removed from the collective bargaining agreement language unless the parties agree to maintain the programs.

CSEA and the District agree that flexibility in scheduling and work location, when appropriate based on numerous factors, offers significant advantages for employees and the District. Both parties are interested in maintaining a remote work program for District employees. The District will consider flexible schedule and remote work arrangements on a case-by-case basis.

Nothing in this Article will prohibit the District from transitioning from in-person to remote work, nor from remote work to in-person, during an emergency without following the processes set forth in this Article.

- a. **Relevant Factors to Consider.** Remote work arrangements and flexible work schedules must account for, and may be denied by the District based upon:
  - i. Operational needs of the department
  - ii. Operational needs of the work area (such as building, floor, office suite, etc.)
  - iii. Operational needs of the District
  - iv. Operational needs of the department/work area/District include, but are not limited to: job duties; student needs; student success goals; supervision; ensuring all staff are in-person together for some time to facilitate interaction; effective communication; ensuring there is a presence of people in an area across times of day; closing offices for certain days; staffing needs; safety and wellness; and other relevant factors
  - v. Academic calendar and instructional/non-instructional days
  - vi. Considerations related to building and maintaining community
  - vii. Nature of the employee's job
  - viii. Type of service
  - ix. Availability and cost of necessary equipment to work remotely
  - x. As a general rule, the District will not provide employees who work remotely at their own request with any additional equipment beyond issuing the employee with a laptop instead of a desktop computer.
  - xi. The District will not provide or pay for equipment or office furniture such as printers, paper, desks, etc. Employees who need to print or utilize special equipment are expected to do so in the office.
  - xii. Employee's current and past job performance, including attendance and disciplinary record
  - xiii. Impact to the department, division, and/or District
  - xiv. Other job-related considerations deemed necessary and appropriate by the supervisor, area Vice President, or Human Resources
- b. **Parameters.** Remote work arrangements and flexible work schedules:
  - i. Must be approved prior to the commencement of such an arrangement.
  - ii. Are only available to employees who meet all eligibility requirements.
  - iii. Will be approved for a maximum duration of one of the following terms at a time:
    - A. August to December
    - B. January to May

C. June and July

- iv. An existing arrangement will renew automatically for the next term unless 1) terminated by the manager or employee prior to the end of the term by two weeks' notice, or 2) the approval specifies that the arrangement will not renew.
- v. During the initial term of an arrangement, will be subject to a trial period of one month, during which time the manager may terminate the arrangement upon two days' notice. Consecutive terms with the same arrangement are not subject to this initial trial period.
- vi. After the trial period, may be discontinued by the manager or employee with two weeks' notice unless circumstances warrant termination on a shorter timeframe.
- vii. Will terminate immediately if an employee is no longer eligible for the arrangement, such as due to disciplinary action, performance concerns, or classification/position eligibility changes.
- viii. Cannot include scheduled overtime or any additional pay that would be required by law or the collective bargaining agreement.
- ix. Cannot include transit/commute time to/from the work place even if the employee is remote before/after the transit time.
- x. An employee's failure to comply with terms of any flexible schedule or remote work arrangement may result in modification or termination of the flexible schedule/remote work arrangement, and/or disciplinary action, up to and including termination of employment.

**2. Work Week**

The work week for full-time members of the unit shall normally consist of five (5) consecutive days, followed by two (2) consecutive days off, unless the employee requests and is approved to work a compressed work week (e.g., full-time work over four (4) work days per week), in which case the employee will have at least two (2) consecutive days off. Full-time employment is defined as thirty-seven and one-half (37.5) hours per week, seven and one-half (7.5) hours per day. Part-time employment is defined as anything less than thirty-seven and one-half (37.5) hours per week, and anything less than seven and one-half (7.5) hours per day. As described in this Article the specific work days and work hours shall be designated by the District for each classified assignment. No advanced notice is required when an individual changes hours solely as a result of promotion, demotion, or transfer.

- a. Employees hired on a Monday through Friday schedule shall remain on a Monday through Friday schedule unless the District complies with the following procedure:
  - i. The District will notify CSEA of its plan to change staffing from a Monday through Friday schedule to a different schedule.
  - ii. The supervisor will hold a meeting of employees from the department in the impacted classification, with CSEA invited, to explain the District's reason for changing staffing from a Monday through Friday schedule to a different schedule, and hear input from employees on the change.
  - iii. The supervisor will seek volunteers from the department in the impacted classification to change their schedule.
  - iv. The District will assign the non-Monday through Friday schedule to the volunteer unless it has a business or educational reason not to, including but not limited to the volunteer having performance concerns or an unsatisfactory evaluation.
  - v. If the District does not assign the non-Monday through Friday schedule to the volunteer or no one volunteers, the District will assign the non-Monday through Friday schedule to the least-senior employee in the impacted classification.
  - vi. Assigning a volunteer or the least-senior person to a non-Monday through Friday schedule may require changes to work hours for employees who remain on a Monday through Friday schedule. The District will change the work hours for impacted employees in accordance with the terms of this Article.

- b. The beginning and ending work times for all unit members may be changed by thirty (30) minutes or less by giving the affected employee at least ten (10) work days advance notice. This advance notice may be reduced in special circumstances if agreed to by CSEA and the affected employee. Other changes in the days and hours worked, except those in subsections d. through f. below shall be subject to negotiation between the District and CSEA.
- c. The beginning and ending work times of up to ten percent (10%) of unit members (exclusive of the employees in classifications addressed in sections c through e below) may be adjusted by one (1) hour maximum for each term (August to December; January to May; June to August), with thirty (30) District work days advance notice to the affected employees and CSEA. For changes greater than thirty (30) minutes, the District shall first seek volunteers from employees within the department and the job classification for such hour change. The District will assign the hour change to a volunteer unless it has a business or educational reason not to, including but not limited to the volunteer having performance concerns or an unsatisfactory evaluation. If the District does not assign the hours to the volunteer or no one volunteers, the employee(s) in the classification with the least seniority shall be selected. Where the District plans to move an employee's hours for consecutive terms, the District may offer the employee the option for the complete schedule change to take place at the start of the first term.
- d. Unit members in instructional-related classifications shall have hours and days adjusted according to class schedules, enrollment and instructional need as determined by the District. Unit members in instructional-related classifications shall be notified of tentative schedule changes no later than thirty (30) calendar days before the beginning of the semester or summer term. Said schedule cannot change during a given semester after the first two (2) weeks of the semester/summer term. The intent of this language is not to allow reduction in assigned time.
- e. The Performing Arts classifications, and positions that regularly support events and facilities rentals, may be required to work overtime to provide coverage for performances, events, or rentals if the employee receives two weeks' or more advanced notice. If the employee receives less than two weeks' notice, overtime shall be optional. For either mandatory or optional overtime, upon agreement by the employee and supervisor, the employee's work hours may be flexed not to exceed 7.5 hours for that day to cover the performance, event, or rental. In setting regular schedules for these classifications, the District shall follow the procedures in this Article. The intent of this language is not to allow a reduction in assigned time.
- f. Unit members in the Enrollment Services I, II & III classifications, the Administrative Assistant III to the Dean classification in Enrollment Services, and Cashiering Services classifications may have hours temporarily adjusted during the peak period around the start of each semester, or during an emergency (a situation that the district could not have reasonably foreseen or an immediate resignation of an incumbent). A schedule cannot be changed by more than four (4) hours beyond the present schedule. The intent is not to allow a reduction in assigned time.
- i. **Procedure**
  - A. The District shall ask for volunteer(s) from the group of incumbents and shall assign based on skill. If there are no volunteers the District shall adjust an incumbent's schedule based on seniority/skills beginning with the least senior in the Enrollment Services and Cashiering Services areas.
  - B. An employee assigned to the "night" shift as described in 2.f. above shall receive \$50.00 per shift or \$400 per pay period, whichever is less.
  - C. The employee will be assigned to the 'night' shift for no more than one (1) month, at which time the procedure for assignment begins again.
- ii. **Shifts**
  - The regular 7.5 hour day shift will be scheduled between the hours of 7:00 am and 6:00 pm.
  - The regular 7.5 hour night shift will be scheduled between the hours of 11:00 am and 9:00 pm.

### 3. **Work Day**

- a. The length of the work day shall be designated by the District for each classified assignment in accordance with the provisions set forth in this Agreement. Each bargaining unit employee shall be assigned a fixed, regular and ascertainable minimum number of hours.
- b. Employees may request to shift the beginning and ending times of their workdays (scheduling of hours), or their days of work (scheduling of days), by submitting the appropriate form (Attachment B) to their direct supervisor. The supervisor shall have the authority to approve or deny the request, based on District operational needs and other factors, requirements, and parameters set forth in this Article. Within ten (10) work days, copies of the approval/denial shall be distributed by the supervisor to the employee, CSEA and the District.
- c. Part-time employees shall have their work days and hours assigned to them by their supervisor.
- d. Any reduction in assigned time shall be accomplished in accordance with provisions of the law, PERB decisions and the District's duty to bargain.
- e. A part-time employee who works a minimum of thirty (30) minutes per day in excess of his/her part-time assignment for a period of twenty (20) consecutive working days or more shall have his/her fringe benefit cost prorated for the longer work day.

### 4. **Flexible Work Week Schedule**

All full-time unit members are accountable for working their 37.5 hours per week. In order to provide a flexible workweek schedule, some unit members will have a choice of how these hours will be worked within the parameters set by this Article, the District, and their supervisor. At all times, the District retains the right to set unit members' schedules based on operational needs pursuant to this Article and applicable law. **See Attachment L** (Flexible Work Schedule Request Process and Form).

- a. **Term.** Flexible workweek arrangements shall remain in effect for one term at a time. The terms are:

August to December  
January to May  
June and July

- b. An existing arrangement will renew automatically for the next term unless 1) terminated by the manager or employee prior to the end of the term by two weeks' notice, or 2) the approval specifies that the arrangement will not renew.
- c. The District will consider the factors, parameters, and eligibility requirements outlined in this Article in determining whether to approve an employee's requested flexible work schedule.
- d. The District may determine the departments and classifications eligible for this optional flexible workweek choice based upon the factors, parameters, and eligibility requirements outlined in this Article.
- e. **Options Available:**
  - i. **Staggered hours in a fixed schedule.** Employees establish starting and ending times that differ, but keep the same schedule each day. E.g., Monday-Wednesday 9:30-6:00; Thursday-Friday 7:00-3:30.
  - ii. **Core hours in a variable schedule.** Employees must be present at core hours, but may adjust their arrival/departure times each day around that. E.g., employee must be present 10:00-3:00 every day, with varying start/end times.
  - iii. **Variable day** (different hours/day). Employees work a consistent schedule with a different number of hours each day for a set total number of hours within the week. Manager and employee must ensure this option does not include any overtime. E.g., Monday and Wednesday, 9 hours; Tuesday, 8.5 hours; Thursday and Friday, 5.5 hours (plus ½ hour or one hour lunch).

- iv. **Split shift** (at employee request only). Employees have a longer scheduled break during their shift. E.g., Monday-Friday, 8-12, 4-7:30. A manager may not require a split shift without prior approval from Human Resources.
- v. **Compressed work week.** Employee works fewer days, with more hours per day. E.g., Tuesday-Friday, 9.375 hours/day (plus ½ hour or one hour lunch); or nine consecutive workdays 8.333 hours/day (plus ½ hour or one hour lunch), followed by the tenth day off.
- f. **Overtime.** Overtime will depend on the unit member's work schedule. Overtime is defined as any time worked in excess of thirty-seven and one half (37.5) hours per week, or in excess of an employee's regularly-scheduled shift in one (1) day unless the employee had supervisor approval to increase hours in one day to account for a holiday on another day in the week. Employees may not work overtime without advanced approval by their supervisor in writing. No flexible work arrangement may be set with recurring overtime as part of the arrangement.
- g. **Leave/Vacation.** If a unit member takes leave or vacation during the time he/she/they is scheduled to work, the same number of hours will be deducted from his/her/their applicable leave balances.
- h. **Holidays.** A holiday counts for up to 7.5 hours of work. If a unit member's regularly scheduled shift on a holiday is more than 7.5 hours, the unit member must use leave time for the additional hours or, with supervisor approval, may work additional hours on another day in that week to make up the additional hours.
- i. **Course Attendance.** An employee may request a flexible schedule to attend course(s) at an accredited institution of higher learning. Such request will be made on the "Classified (CSEA) Employee Request For Approval Of Course Attendance" (Attachment C). This request shall be submitted to the appropriate District manager for recommendation to the Cabinet. The Cabinet will approve/deny the request. Employee must receive approval prior to altering work schedule. If the request is approved the hours worked per day will be altered to accommodate the employee's schedule to attend said course(s). Should such a schedule require an employee to work beyond a seven and one-half (7.5) hour work day, the employee shall waive any claim to overtime on each day such schedule is arranged. The parties acknowledge that the appropriate District manager's recommendation and the Cabinet's approval/denial will be based on the District service needs. If the employee's request is denied, the reason(s) related to the District service needs shall be set forth in writing to the employee.

## 5. **Remote Work Arrangements:**

- a. **In-State Employment.** As a California public community college, the District's business operations almost exclusively reside within California. Employees shall not perform District-related work outside of California. Exceptions to this prohibition are limited to approved and documented purposes for conducting District business in a region outside of California, such as limited term business travel to attend a conference. Any exception must be approved in writing in advance by Human Resources and the area Vice President. A remote work arrangement outside of California, in and of itself, is not a purpose for conducting business out of the state.
- b. **Remote Work Agreement.** The Parties agree that certain positions may with agreement between the employee and their immediate supervisor be allowed to have a work schedule that includes telecommuting, subject to the terms and conditions of this Article, Attachment I, and applicable District policies and procedures.

  - i. Eligible employees wishing to participate in a telecommute schedule shall request such an arrangement following the process in Attachment I.
  - ii. If the immediate supervisor, area Vice President, or Human Resources denies the request, upon request by the employee, the supervisor shall provide the employee an explanation as to why the request was denied. A decision to deny a request to work remotely is not subject to the grievance Article.

- iii. Employees will serve a one (1) month trial period to determine the effectiveness of the arrangement. During this trial period, the arrangement may be discontinued by either the employee or immediate supervisor with two (2) days' notice.
  - iv. Following the trial period, either the employee or the immediate supervisor may discontinue the arrangement after two (2) weeks' notice to the other.

## 6. **Summer Compressed Work Week Schedule**

- a. **Term.** From the first week in June through the first week in August, District offices will be closed on Fridays to minimize energy use and to provide a flexible schedule wherein employees will work a compressed work week, or may utilize accrued vacation and compensatory time.
- b. **Exclusions.** The District may exclude some or all classifications in the following departments from the Summer Compressed Work Week Schedule: Performing Arts, Information Technology, ESL, and Fiscal Services. In addition, employees whose assignments are related to special events, security, or instructional, instructional support (labs, library, etc.), facility rental activities, or other College activities or operations with hours on Fridays, Saturdays and Sundays shall develop their work schedule with their supervisor.
- c. **Standard Work Week.** During the Summer Compressed Work Week period, the standard work week schedule for unit members who typically work Monday through Friday, 7.5 hours per day, will be Monday through Thursday, 9.375 hours per day.
- d. **Holidays.** When a holiday falls during the Summer Compressed Work Week period (i.e., Juneteenth, Fourth of July, and occasionally Memorial Day):

1. If observance of the holiday falls on the Friday, unit members shall work seven and a half hour days for the Monday through Thursday of that week (37.5 hours based on  $4 \times 7.5 = 30$  hours plus 7.5 hours holiday).
2. If observance of the holiday falls on a Monday through Thursday, unit members shall work three 9.375 hour (e.g., 7:30 am to 5:22 pm, with a  $\frac{1}{2}$  hour lunch) days of that week (37.5 hours based on  $3 \times 9.375 =$  hours plus 7.5 hours holiday). Unit members may request to use compensatory time, vacation time, and/or unpaid leave to reduce the hours worked per day.
3. If a unit member has a flexible work schedule arrangement, the supervisor will adjust the provisions above to apply the same principles (total of 37.5 hours with 7.5 hours from the holiday).

e. **Use of Leave to Reduce Hours Per Day.** Unit members who want to maintain a schedule of fewer than 9.375 hours per day during the Summer Compressed Work Week period may request to use compensatory time, vacation time, and/or unpaid time off for eight hours per week. Unit members shall submit such a request to their supervisors on or before May 1. It is understood that District operational needs and seniority in the job classification will be considered in determining approval/disapproval for an employee's request.

1. **Uncompensated Leave and Benefits.** Medical, vision or dental benefits will remain at the same level for employees taking up to nine (9) uncompensated leave days in order to reduce daily work hours.
2. **Uncompensated Leave and Sick Leave Accrual.** Employees taking up to nine (9) uncompensated leave days in order to reduce daily work hours will continue to accrue sick leave at the same rate as in compensated status.

f. **Remote Work.** Remote work will not be available for Fridays during the Summer Compressed Work Week period. Remote work during this period shall be limited to no more than 40% of a unit member's time per month during the months of June, July, and August.

g. **The Summer Compressed Work Week Schedule should be arranged no later than May 1st and will remain in effect for the entire time period.** (Attachment R)

h. **Lunch Break.** Employees may take a  $\frac{1}{2}$  hour lunch, but not less than  $\frac{1}{2}$  hour, scheduled at or near the midpoint of each work day. If a longer lunch is taken, the employee must extend his/her/their work day by the same amount of time.

i. **Sick Leave/Vacation/Compensatory Time.** If an employee takes sick leave, vacation, or compensatory time during the time he/she/they would be scheduled to work based on his/her/their Summer Compressed Work Week schedule, the same amount of time will be deducted from his/her/their sick leave or vacation balances.

## **7. Lunch Periods**

All employees shall be entitled to a duty-free lunch period after the employee has been on duty for three and three-quarter (3.75) hours. The length of time for such lunch period shall be for a period of no less than one-half (.5) hour nor longer than one (1) hour (except as part of a flexible work schedule arrangement) and shall be scheduled for full-time employees at or near the mid-point of each work shift. If an employee is directed to work during his/her lunch period, such time shall count as overtime or shall be offset by leaving work early based on the number of minutes worked times the overtime rate.

## **8. Rest Periods**

All employees shall be granted rest periods, which, insofar as practical, shall be in the middle of each work period at the rate of fifteen (15) minutes per three and three-quarter (3.75) hours worked. The time of such rest periods shall be established by the immediate supervisor. Rest periods are a part of the regular work day and shall be compensated at the regular rate of pay for the employee.

## 9. Overtime

Except as otherwise provided herein, all authorized overtime hours as defined in this Section shall be compensated at a rate of pay equal to time and one-half of the regular rate of pay of the employee. Overtime will depend on the unit member's work schedule.

For employees not on a flexible schedule, overtime is defined to include any time worked in excess of seven and one-half (7.5) hours in any one (1) day or in any one (1) shift or in excess of thirty-seven and one-half (37.5) hours in any calendar week, whether such hours are worked prior to the commencement of a regularly assigned starting time or subsequent to the assigned quitting time.

For part-time unit members having an average work day of three and three-quarter (3.75) hours or more, all hours worked beyond the work week of five (5) consecutive days shall be compensated at an overtime rate of one and one-half (1.5) times the employee's regular rate of pay on the sixth (6th) and seventh (7th) day.

A unit member having an average work day of less than three and three-quarter (3.75) hours shall, for any work required to be performed on the seventh (7th) day following the commencement of his/her work week, be compensated at the overtime rate of one and one-half (1.5) times the employee's regular rate of pay.

For employees on a flexible schedule, overtime is defined as any time worked in excess of thirty-seven and one half (37.5) hours per week, or in excess of an employee's regularly-scheduled shift in one (1) day unless the employee had supervisor approval to increase hours in one day to account for a holiday on another day in the week. No flexible work arrangement may be set with recurring overtime as part of the arrangement.

When an employee is required to work on a day which falls on a scheduled holiday, (see Article 9: Holidays), the District shall provide payment at time and one-half in addition to the employee's regular straight time holiday pay, or compensatory time off at the rate of time and one-half in addition to the regular holiday pay.

The method by which all overtime shall be compensated (cash or compensatory time off) shall be at the discretion of the District; however, an employee may request a preference as to the method of compensation. Compensatory time shall be taken at a time mutually acceptable to the employee and the District. If the employee is not permitted to take the compensatory time within the end of the calendar year (December 31) after the fiscal year in which it is earned, then the employee shall be paid in cash by February 1.

Compensatory time may not be earned or taken without prior approval from employee's supervisor. The employee shall report Compensatory time earned on the *Monthly Compensatory Time Worked Report*, in actual hours worked and authorized by the employee's supervisor (see Attachment K).

Compensatory time taken shall be reported electronically through the Leave Report system. Compensatory time balances shall be printed on employee's end of month payroll checks and shall be available through the Electronic System to both employees and department managers.

When overtime is authorized to be worked it shall be offered based on seniority/skill and on a rotating basis to ensure equitable distribution of overtime within each department.

## 10. Minimum Call-in Time

An employee called in to work on a day when the employee is not scheduled to work shall receive a minimum of two (2) hours pay at the appropriate rate of pay under this Agreement.

**11. Minimum Call-back Time**

Any employee called back to work after completion of his/her/their regular assignment shall be compensated for at least two (2) hours of work at the appropriate rate of pay under this Agreement.

**12. Right of Refusal**

When an employee has an emergency, the employee may reject a request to perform overtime, call-in or call-back work. If the employee's immediate supervisor does not agree that an emergency exists, the employee may, at his/her/their option, request review of the matter at the next level of supervision, however, pending such a determination, the employee may be required to perform work as described herein beyond regular hours.

**13. Rest Facilities**

The District shall make available at each campus, lounge and lavatory facilities for classified employees use on regular work days, and by pre-arrangement on other days.

## ARTICLE 7

### SALARY

#### 1. **Salary Schedule**

Effective July 1, 2023, the salary schedule will be increased by 6% on-schedule.

All employees employed as of June 1, 2023 received a one-time payment of 2.7%.

Effective January 1, 2024, the salary schedule will be increased by 5% on-schedule.

Effective January 1, 2025, the salary schedule will be increased by 4% on-schedule.

Effective July 1, 2023 through December 31, 2025, if the MSC employee group as a whole receives greater salary increases – either on-schedule, or one-time payments – than that agreed to with CSEA above, then the percentage received by CSEA for the applicable time period shall be increased to match MSC, or CSEA members shall receive the same one-time amount. Such amount will be paid during the same period as that in which MSC receives the higher compensation. CSEA understands that the District is conducting a classification and compensation study for the MSC group. In the event that individual positions on the MSC salary schedule (rather than the MSC group as a whole) increase compensation as a result of the findings of the classification and compensation study, the Me-Too Agreement described herein does not apply.

Effective April 1, 2020, the salary schedule will be increased by 2% on-schedule. Employees who are employed as of January 1, 2020 and March 10, 2020 will receive a one-time, off-schedule payment of \$400, prorated by FTE.

Effective January 1, 2021, the salary schedule will be increased by 2% on-schedule.

Effective January 1, 2022, the salary schedule will be increased by 2% on-schedule.

Beginning January 2, 2018, CalPERS “classic” eligible members will begin to assume financial responsibility for the employee portion of their CalPERS retirement contribution in two (2) phases. Effective July 1, 2019 employees will pay the full cost/percentage of the employee portion of the CalPERS retirement plan.

Step increases and longevity, where appropriate, shall be granted for the duration of this Contract.

The Salary Schedule shall reflect a five percent (5%) difference between steps and a two and a half percent (2.5%) difference between range formats.

#### 2. **Placement and Movement on the Salary Schedule**

a. All new employees shall be placed on the Salary Schedule according to the terms and conditions of this Agreement.

b. The Chief Human Resources Officer or designee is authorized to credit for placement on the Salary Schedule past service of an applicant for employment in this District. In a position requiring

specialized training, or one found to be difficult to recruit for, or when an applicant has highly desirable qualifications in excess of the minimum required, credit for experience may be given to the extent of placing the employee on a higher step, not to exceed step 3.

- c. When an existing employee is promoted or demoted, they will be placed as follows:
  - i. An employee temporarily or permanently promoted to a position on a range higher on the Salary Schedule shall receive the salary of the newly assigned position. Credit will be granted for all time served in a temporary position when an employee is returned to his or her permanent position. An employee who is promoted or reclassified shall be placed on a step within the new range that is at least but not limited to 5% above the previous step of the lower range, but if the highest step on the range is less than 5%, the employee will receive the highest step.
  - ii. An employee who is demoted for cause, or accepts a voluntary demotion, or is otherwise transferred to a position having a lower range on the Salary Schedule shall receive the salary on the lower range to which the employee would be entitled if credited for experience and service in the employ of the District.
  - iii. In both of the above cases, longevity will be decoupled from the Salary Schedule and calculated on an employee's placement on the Salary Schedule.
- d. On recommendation of the supervisor, an employee shall advance one (1) step within his/her salary range effective as follows:
  - i. Employees shall be eligible for a step increase on their anniversary date. Their anniversary date is on the first day of the month following twelve (12) months of service in the position and this day and month, yearly, thereafter.
  - ii. Unless the employee receives or their supervisor indicates that they will receive an unsatisfactory performance evaluation, the employee will move to the next step.
- e. If an unpaid leave exceeds ninety (90) calendar days in a fiscal year, the entire leave is added to the waiting period for the next step. The date for subsequent step increases for Steps 1 through 5 is then changed to the new extended date.

### **3. Longevity Recognition**

Longevity increments are computed on the step of the salary range of the classification to which employee is assigned, as follows: The first longevity increment is computed at four and one half percent (4.5%). The second longevity increment is computed at seven and a half percent (7.5%) (which includes the first increment). The third longevity increment is computed at twelve and a half percent (12.5%) (which includes the first and second increments). The fourth longevity increment is computed at seventeen and a half percent (17.5%) (which includes the first, second and third increments). The fifth longevity increment is computed at nineteen and a half percent (19.5%) (which includes the first, second, third and fourth increments).

Longevity pay shall be granted monthly to all eligible employees, on the following basis:

- a. Those employees who achieve eligibility for an increment, as designated below, are given their increment on their original anniversary date based on the date of hire in the first CSEA position held at the college. In case of promotion, if the employee is on a longevity step, employee retains the longevity increment and eligibility for their next longevity increments based on the years of creditable services listed below.

1. A first increment for eight (8) years of creditable service.
  2. A second increment for ten (10) years of creditable service.
  3. A third increment for thirteen (13) years of creditable service.
  4. A fourth increment for sixteen (16) years of creditable service.
  5. A fifth increment for twenty (20) years of creditable service.
- b. Creditable service shall not include leaves of absence without pay for periods exceeding ninety (90) days in any fiscal year. If an unpaid leave exceeds ninety (90) calendar days in a fiscal year, the entire leave is added to the waiting period for the next longevity increment. The date for subsequent longevity increment increases is then changed to the new extended date.

**4. Degree Completion Award**

Effective the first of the month at least 60 days following CSEA ratification and Board approval, the District will pay unit members a one-time degree completion award upon completion of an advanced degree earned after 1/1/2023. The stipend amount will be:

Bachelor's degree: \$1,500

Master's degree: \$3,000

Doctorate degree: \$5,000

## **9. Professional Growth Program**

### **a. Policy Statement**

The District and CSEA are hereby authorized to implement a voluntary Professional Growth Program for the clerical/quasi-technical staff of the Classified Bargaining Unit.

The Professional Growth Program shall be supervised and controlled through a Professional Growth Review Committee selected in 1982/83 by the CSEA President; and thereafter selected as provided in Section b.3 of the Professional Growth Program Rules and Regulations below.

All members of the Classified Bargaining Unit are encouraged to voluntarily participate in this Professional Growth Program.

**b. Professional Growth Program Rules and Regulations**

**1. General**

Professional growth is an organized activity designed to improve performance of employees in the classified service and to provide training for employees to gain new skills and abilities; to broaden their opportunity for promotion or absorption into other classifications, thereby promoting equal employment opportunity; and to engage in study related activities designed to retain and extend the high standards of classified employees.

The need for professional growth activities for academic employees has long been recognized. However, in recent years the need for classified employees to increase their knowledge, awareness, and understanding of their responsibilities is also being recognized. The purpose of this program shall be to improve the standard of service of the classified staff; to extend and constantly improve the standards of on-the-job performance of classified employees; and to provide opportunities for advancement for all Classified Bargaining Unit members.

It shall also be the purpose of the Professional Growth Program to provide positive support for the District's commitment to equal employment opportunity in that it shall provide opportunities for employees to progress into more responsible positions.

Districts, because of declining enrollment and financial problems, are continually facing layoffs of employees. Employees should be encouraged to improve themselves or widen their knowledge of other fields so that when layoffs occur, they can be eligible for openings in these other fields in the District.

In recognition of voluntary individual efforts on the part of Classified Bargaining Unit employees to improve their job performance, the District shall provide these employees with financial awards.

**2. Eligibility**

All permanent members of the Classified Bargaining Unit are eligible to enter the Professional Growth Program.

Any employee who is on a leave of absence as a full-time student will not be eligible to participate in the program until return to active employment; nor will future credit be granted

for courses taken during the leave, as it is assumed such effort is being made for the purpose of qualifying for a substantial advancement in position.

Any employee whose application is accepted into the Professional Growth Program and who is laid off prior to completion of the total number of units to qualify for that award may submit to the Professional Growth Review Committee the units thus far completed for review to determine if the employee qualifies for a pro-rated award.

### **3. Professional Growth Review Committee Composition**

The Professional Growth Review Committee shall be composed of a maximum of five District employees to include four bargaining unit members and one management member. The four bargaining unit members shall be comprised of two clerical and two quasi-technical members, one of whom shall be a CSEA representative. Additionally, of the four bargaining unit members, two shall be representatives from the Kentfield Campus and two shall be representatives from the Indian Valley Campus. The management member shall be the Chief Human Resources Officer or designee.

The Classified Bargaining Unit members of the Committee shall be selected by the CSEA President. The bargaining unit members shall, be nominated by the CSEA Executive Committee and approved by a vote of the general membership.

Tenure. The terms of all committee members shall be for a period of two years.

Duties of the Committee. Evaluate all activities requested for professional growth, place unit values on all approved activities, and approve or deny applications.

Meetings shall be scheduled by the Committee as needed.

The District shall grant the Committee members release time from their regularly scheduled workday to conduct the necessary Professional Growth Review Committee activities.

These programs may be selected from those offered by an adult school, college, or professional groups, or may be as approved by the Professional Growth Review Committee.

The District shall allocate a total fund of \$9,750 per year. When an employee has completed ten (10) units credit, he/she/they shall receive one Professional Growth Award of \$750 per year payable in a lump sum. This payment shall be considered as an "award" and shall not be considered as part of the employee's salary.

Regular employees working on a twelve-month assignment shall receive the full amount of the award. Those employees working on a ten- or eleven-month assignment basis or working fewer than 7.5 hours per day, shall receive the award pro-rated on the same basis as their vacation benefits.

The Committee shall consider all requests for growth awards not later than its meeting of May 1 for awards to be granted in September of the following fiscal year.

It is hereby acknowledged that participation in the Professional Growth Program is entirely voluntary on the part of any employee and participation shall not be a requirement towards attaining any of the rights, benefits, or burdens accorded bargaining unit employees.

If an employee's application for an award is rejected by the Professional Growth Review Committee, the employee concerned may request a hearing at the next regularly scheduled Professional Growth Review Committee meeting. If the application is rejected a second time, the Committees' decision is final and the employee will receive written justification for the decision.

## **c. Staff Development Allocations**

### **1. Funding**

For the purpose of this Article and its stated purposes the College shall make available a total sum of \$2,000 per academic year to the CSEA Staff Development Committee for allocation.

### **2. Purpose of Program**

The intent of this program is to assist in the development of classified employee's skills and talents in regard to their current job duties and provide opportunity for employees to gain new skills and thereby enhance promotional opportunities within the current two job families of the unit, office-clerical and technical/quasi-professional.

### **3. Eligibility**

- a. All unit members who have completed the required probationary period of employment are eligible to participate in the staff development program.
- b. Funds from this program are not available to cover costs related to development programs which have been authorized and/or partially funded by other College development

The benefits of this program include necessary release time with pay, partial or full travel expenses, if any, partial or full registration/tuition fees, if any, and partial or full supply costs, if any.

Staff Development shall include courses (i.e. College and Adult Ed courses), conference, seminars, workshops, individual or group projects.

#### **5. CSEA Staff Development Committee**

The committee shall be composed of three CSEA representatives appointed by CSEA. The purpose of the committee shall be to receive applications from bargaining unit employees for staff development and to approve or disapprove appropriate applications for fund disbursement from the District according to the criteria established in these Articles, and to specify the amount of funds to be allocated to each approved application. Included in its purpose, the Committee could decide to allocate all or part of the fund set forth in paragraph 1 for a particular type of training. The Committee shall meet one time per month to review applications and act on the requests. Applications that have been denied by the Committee shall be returned to the applicant. The denial shall include a reason for the action.

Applications that have been approved by the Committee shall be forwarded to fiscal services for final fund disbursement.

During the first six months of the academic year no more than half the funds shall be approved for expenditure for use during the first six months of the year. The Committee may take action during the first six months to approve the staff development expenses to be incurred in the second half of the academic year. In such case the amount does not count towards the first half limitation. The Committee will make decisions by majority vote with a minimum of two persons in attendance.

#### **6. Application Process**

- a. It shall be the responsibility of the individual unit member to complete the application form for staff development and to submit it to the committee in a timely manner. The Human Resources shall receive the application and date and time stamp it on behalf of the Committee.
- b. Upon completion of the form, the unit member shall submit it to his/her supervisor for the scheduling of release time. The supervisor/s approval indicates that the scheduling of the release time for the specified event is available to the applicant. Applications may not be submitted to the Committee unless/until approved by the supervisor.
- c. **Timelines.** All applications must be submitted prior to the specified event for which release time funds are being requested. Applications submitted to the Committee after the event shall be automatically denied. Unit members are encouraged to submit applications

as far in advance of the event as possible so as to allow action by the Committee and advance allocation of funds as appropriate. If applications are submitted less than one month prior to the event, approved funding may be in the form of reimbursement. If the Committee does not have adequate time to act on the application prior to the event the unit member may attend the event with the approval of the supervisor but assumes the risk of all costs, including time off (compensatory time, vacation, and leave without pay) in the event that the Committee denies the application or some portion thereof. Most funding will be on a reimbursement basis.

- d. Application and reimbursement forms are available in Human Resources.

## **7. Criteria**

Approval by the Committee shall be made on a "first come, first serve" basis contingent on the following:

- a. You are limited to 200.00 per year.
- b. Job related or related to promotional opportunity within your job family.

- b. Except for Section 1 and Section 8, this Article shall not be subject to the Grievance Procedure.
- c. Managers and supervisors are encouraged to communicate development opportunities to staff.
- d. In addition to the provisions set forth above the college agrees to allocate \$3,000 in addition to the amount specified in paragraph 1 above for the purpose of staff development for employees covered by the CSEA contract. Such expenditures will be directed solely by the College. In the event that the College does not allocate the full \$3,000 in any fiscal year (July 1- June 30), the unspent amount for that year will be added to the CSEA Staff Development Committee for the following year only. In that same subsequent year, the College allocation will be reduced by an equal amount. For example, if in year 1, the College expends \$2,500 instead of the full \$3,000, the following year (year 2), the College will have a total expenditure

of \$2,500 and the Committee will have a total of \$2,500 for that one year. In year 3 the College would again have \$3,000 and the Committee would have \$2,000 unless the College did not spend its full amount in the prior year. In this set of examples, the full amount in year 2 for the College is \$2,500. As described above there is no carryover of funds from one fiscal year to the next.

3. For unit members employed less than full-time, Kaiser or Non-Kaiser medical benefits rates, dental benefit rates and vision benefit rates shall be prorated according to percentage of FTE worked. This means that the monthly rate for each of the three benefit programs will be multiplied by the percentage of FTE. The result for each program is the amount the District will contribute for that program per month. The balance must be paid by the employee through the payroll deduction process. The maximum District medical program monthly contribution will be computed based on the cost of the program chosen. If a program is chosen that costs more per month than the medical cap rate, then the medical cap rate will be used in the computation.
4. Medical Benefit Waiver. Effective July 1, 2014 and beyond, all probationary and permanent employees who work 90% or more of the full time equivalent for the applicable job classification are required to participate in one of the medical benefits options offered by the College. An eligible employee who works less than 90% of the full-time equivalent for their applicable job classification may decline coverage. Those Unit members shall be provided with a \$1200 annual payment in cash. The payment shall be reduced on a pro-rata basis for new unit members who waive coverage for less than a full year. Unit members shall have their waiver payments paid to them no later than December 31<sup>st</sup>. Part-time unit members eligible for benefits set forth in this Article shall be provided a pro-rata benefit amount based on the proportion of the part-time assignment to a full-time assignment.

To be reinstated into the medical plan, a unit member must apply during the annual open enrollment period. (Attachment E).

5. Effective January 1, 1994, the District discontinued participation in the State Disability (SDI) program for employees of the bargaining unit represented by CSEA and began participation in the Short Term Disability (STD) and Long Term Disability (LTD) programs for employees of the bargaining unit represented by CSEA. Effective October 1, 2016, Short Term Disability (STD) premiums shall be paid by the District.
6. The District shall continue to provide the established monthly contributions during the absence of any employee in the bargaining unit who is on an approved uncompensated leave for medical reasons. The District may at its option and at its expense, seek medical opinions beyond those which the employee is required to provide under other provisions of this Agreement, in order to determine applicability of this provision. Failure of the employee to continue to contribute his or her normal monthly contribution under this Article will result in termination of the District's contributions and removal of the employee from participation in such District-sponsored fringe benefit programs. This termination shall follow written notification of the employee's failure to pay. The notification shall be sent at least five (5) working days prior to the date the employer remits the list of covered employees to the carrier.
7. **Term Life Insurance and Accidental Death and Dismemberment**

One (1) eligible dependent shall also be covered. No employee terminated for cause or who retires or resigns while disciplinary charges are pending, qualifies for this benefit. This provision shall not be retroactive and shall only apply provided such eligible retirees contribute their contributions (if any) on a timely basis. Failure of the retiree to contribute his or her normal monthly contribution (if any) under this Article will result in termination of the District's contributions and removal of the retiree from participation in such District-sponsored fringe benefit program. This termination shall follow written notification of the employee's failure to pay. The notification shall be sent at least five (5) days prior to the date the employer remits the list of covered employees to the carrier. If the District no longer provides a specific health or dental plan as provided at the time of retirement, the retiree may select a plan as made available each fiscal year to current employees in the unit, subject to the same District contribution limits as applicable to current employees in the unit. The retiree may change carriers during the annual open period. District contributions will cease under this provision at the end of the month in which the retiree reaches his or her seventieth (70th) birthday, or dies, whichever is sooner. Upon approval by the carrier(s), all retired employees may continue coverage for Vision Service Plan, as provided in Section 1, by prepaying the premiums on an annual basis. Benefits will not be provided for the dependents of the domestic partner.

11. If the District does not permit an employee to take all or any part of his/her annual vacation, the amount not taken in excess of the cap shall be paid out. Payment shall be made within (60) days.
12. No supervisor shall deny an employee a scheduled vacation without first obtaining a review of the decision by the next higher level administrator, if requested by the employee.
13. Vacation shall be taken in increments equal to at least one-half (.5) hour.

If travel of less than 300 miles is required, unit members may take up to two (2) additional days of bereavement leave (five (5) total) as unpaid leave, or use any paid vacation, personal necessity leave, accrued and available sick leave, or compensatory time off that is otherwise available to the employee to receive pay for those additional two (2) days. Members of the immediate family means the employee's spouse, mother, father, brother, sister, grandmother, grandfather, child, grandchild, son-in-law, daughter-in-law of the employee or of the same family members of the spouse of the employee, or any person living in the immediate household of the employee.

Evening employees shall have leave with pay provided the employee is required to remain on jury duty after 12:00 noon. An employee who receives a jury duty summons shall submit to Human Resources, a verification from the Jury Commissioner's Office specifying the dates and times served by the employee. Payment shall be made to the District in the amount of statutory fees which the employee has received for attendance as a juror, excluding the statutory mileage fee.

#### **4. Sick Leave**

- a. Every classified employee employed five (5) days a week by the District shall be entitled to one (1) day per duty month leave of absence due to illness or injury with full pay.
- b. Classified employees employed five (5) days a week for less than a full fiscal year are entitled to that proportion of twelve (12) days leave of absence for illness with pay as the number of months employed bears to twelve (12).
- c. Classified employees employed less than five (5) days a week and for less than a full fiscal year are entitled to that proportion of twelve (12) days of leave of absence for illness or injury with pay as the number of days employed per week bears to five (5).
- d. When an employee is absent from duties on account of illness or accident for a period of five (5) months or less, the amount deducted from salary due for any month in which the absence occurs shall not exceed the sum which is actually paid a substitute employee employed to fill the position during the absence. This differential pay shall be paid for the remaining time following the exhaustion of all regular sick leave, accumulated compensatory time, vacation, or other available paid leave. The five-month differential leave period runs concurrently with these other paid leaves, starting on the first day of absence. The District may require certification from a health care provider or other proof of illness or accident for days on differential leave.
- e. Pay for any day of sick leave shall be the same as the pay which would have been received had the employee served during the day of illness.
- f. Sick leave need not be approved prior to taking such leave, and such leave may be taken at any time during the year. It shall be the responsibility of the employee to contact their immediate supervisor or designee on the first day of the absence at the beginning of the shift (if possible), and provide an estimated return to work date if available. If the employee is unable to return to work on his/her/their estimated return to work date, the employee shall contact his/her/their immediate supervisor, designee or the Human Resource Office and provide another estimated return to work date. This notice shall be given no later than the original estimated return to work date. However, a new employee of the District shall not be eligible to take more than six (6) days until the first day of the calendar month after the completion of six (6) months of active service for the District.
- g. If the employee does not take the full amount of sick leave allowed in any year under this Section, the amount not taken shall be accumulated from year to year.

- i. If an employee fails to give notice within the time specified of the intention to return to work and a substitute appears for the day's work as a result of failure to receive such notice, the substitute shall receive a full shift substitute pay and this amount shall be deducted from the employee's salary for that month, or, at the option of the employee, one day of vacation shall be deducted.

- j. A sick day, once commenced, may not be reinstated as a working day unless approved by the immediate supervisor. Medical appointments for a portion of the work day may be taken as sick leave.
- k. No payment for sick leave shall be made unless submitted by the employee on the form specified by Human Resources and signed by the employee and the immediate supervisor.
- l. The District may require certification from a health care provider or other proof of illness or that of a person authorized by any well-recognized religious sect, denomination or organization to treat people, for days of absence due to illness or accident. Normally, this shall be done when the absence exceeds five (5) days or when there is a reasonable, evidence-based suspicion of an employee's abuse or misuse of sick days. When the District asks for a note under this category, CSEA shall be notified.
- m. After an employee has been absent for five (5) or more consecutive days, the District may require release to return to work from a health care provider or that of a person authorized by any well-recognized religious sect, denomination or organization to treat people.
- n. When requested by the District, an employee shall undergo an examination by a health care provider selected jointly by the employee and the District. In the event that the District and the employee are unable to agree upon a health care provider, a health care provider will be selected by the County Medical Association and both parties shall be bound by that decision. The employee shall authorize the examining health care provider to release the results of the examination to the District. The District shall pay the costs of such examination.
- o. Sick leave must be utilized in at least one-half (.5) hour increments.
- p. Sick leave used shall be reported electronically within the month taken. Employee will be required to use the Absence Report for Late Submissions form if they fail to submit their leave on time. (Attachment T)

## **5. Use of Sick Leave to Care for the Illness of Family Members (Kin Care).**

- a. An employee may use up to six (6) days of accrued sick leave to care for the illness of the employee's spouse, domestic partner, mother, father, brother, sister, grandmother, grandfather, child, grandchild, son-in-law, daughter-in-law, or those of the employee's spouse, or a "designated person" under California's Healthy Workplace Healthy Families Act (HWHFA).
  - 1. "Designated person" for California's Healthy Workplace Healthy Families Act (HWHFA) purposes means "a person identified by the employee at the time the employee requests paid sick days" under the HWHFA and for Kin Care. The individual need not be related by blood to the employee, and the association need not be the equivalent of a family relationship.
  - 2. Unit members shall identify the designated person at the time they request the leave. Unit members may only identify one designated person per 12-month period (rolling).
  - 3. The terms here regarding "designated person" are intended to reflect the law and do not extend leave availability beyond legal requirements.

- b. All conditions and restrictions on use of sick leave as outlined in this Article apply. This allocation is Kin Care leave under Labor Code section 233, and is distinct from the sick leave allowance for Personal Necessity as outlined in this Article.

## **6. Catastrophic Leave**

- a. Bargaining unit members may donate accumulated and unused sick leave hours to a catastrophic leave program for the purpose of benefiting another bargaining unit member who has suffered a long-term illness or disability and who has exhausted all fully paid leaves.
- b. Donated hours shall be converted for utilization on a day-for-day basis, resulting in the recipient being paid at his/her/their regular rate of pay. CSEA shall maintain records and decide eligibility and inform MCCD in writing which employees' sick leave is to be debited and which credited. Once donated, days may not subsequently be returned to the unit member.

## **7. Pregnancy Disability Leave (Unpaid)**

- a. In cases of pregnancy disability, employees shall be granted an unpaid leave of absence of up to four (4) months upon written application to the Superintendent/President or designee through the immediate supervisor. The beginning and ending date of the leave shall be determined by the Superintendent/President or his/her/their designee on the basis of the employee's physical condition as certified by her health care provider, in the best interests of the welfare of the employee and the District.
- b. Any period of actual physical disability connected with a disability cause or contributed to by pregnancy, miscarriage, abortion, childbirth, or recovery therefrom, shall be treated as any other physical disability, and any accrued sick leave or other salary continuance benefits shall be available to the employee. Physical disability, for purposes of this policy, shall be defined as a period during which the employee is unable to perform job-related duties. The period of actual disability shall be supported by written statement from the employee's health care provider, provided, however, that the District may, at its option, obtain other medical opinion.
- c. The period of medical disability due to pregnancy or related medical condition shall be treated in the same manner as other absences for temporary disability.
- d. Leave for beyond the period of actual physical disability may be granted in accordance with the provisions pertaining to other uncompensated leaves. No compensation, sick leave, or employee benefits will be granted.
- e. The date which the employee may return to her position after pregnancy or related medical condition, or recovery therefrom, shall be determined by mutual consent of the employee, her immediate supervisor and the Chief Human Resources Officer or designee.
- f. This policy shall not be construed so as to deprive any employee of sick leave rights under other sections of the Education Code for absence due to illness resulting from pregnancy.
- g. The leave of absence shall be reported in the month in which the leave is taken, by the employee submitting leave on electronic leave report.

## 8. **Parental Leave**

It is the intent of this Section of the collective bargaining agreement to make available to unit members leave under the Paid "Parental Leave (Ed. Code §88196.1). This Section shall be applied and interpreted in accordance with the state and federal law and regulations, and is intended to be consistent with such laws and regulations. **Use of leave designated as Paid Parental leave does not constitute an additional 12 weeks under FMLA.**

- a. Effective January 1, 2017, classified employees are entitled to up to 12 workweeks (maximum) of paid "Parental Leave in a 12-month period following the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee.
- b. The rate of pay is the employee's full pay if he/she/they has sufficient sick leave to cover the entire period of "Parental Leave". If the employee does not have sufficient sick leave, the rate of pay is as set forth below.
  - i. Using the "differential" pay method of calculating extended illness leave, classified employees receive their full rate of pay less the amount actually paid the substitute employed to fill his or her position. If the employee is eligible for California Family Rights Act ("CFRA") leave, after exhaustion of all available sick leave, the employee shall receive differential pay or fifty percent (50%) of their regular rate of pay for the remainder of the twelve (12) workweek period, whichever is greater.
- c. An employee is not required to have 1,250 hours of service with the District in the previous 12-month period (rolling) to qualify to take Parental Leave under this section. An employee is not required to use his or her sick leave for Parental Leave as a condition of using baby bonding leave under the California Family Rights Act ("CFRA"). An employee who is eligible for CFRA leave may elect to take unpaid CFRA baby bonding leave and reserve his or her sick leave for later use (as sick leave, not as Parental Leave); however, if an employee elects to receive paid Parental Leave, his or her entitlement to CFRA baby bonding leave is reduced by the period of Parental leave not to exceed a maximum of twelve (12) workweeks. Further, an employee who elects to take unpaid leave under this section shall not be eligible for differential or fifty percent (50%) pay during the twelve (12)-workweek period (if the employee is eligible for CFRA as above) until they have exhausted all current and accrued sick leave.
- d. Parental Leave in this section shall run concurrently with CFRA baby bonding leave taken pursuant to Government Code section 12945.2, and in the combination of the two leaves shall not exceed twelve (12) workweeks in a twelve (12)-month period.
- e. Procedure for Applying:

Notify Human Resources and complete any necessary forms.

## 9. **Industrial Accident & Illness Leave**

- a. Employees shall be allowed up to sixty (60) working days leave in any year for the same accident.
- b. Allowable leave shall not be accumulative from year to year.

- c. Industrial accident or illness leave will commence on the first (1st) day of absence.
- d. Payment for wages lost on any day shall not, when added to an award granted the employee under the workers' compensation laws of this state, exceed the normal wage for the day.
- e. Industrial accident leave will be reduced by one day for each day of authorized absence regardless of a compensation award made under workers' compensation.
- f. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury occurred, for the same illness or injury.
- g. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used; but if an employee is receiving workers' compensation, the person shall be entitled to use only so much of the person's accumulated or available sick leave, accumulated compensation time, vacation or other available leave which, when added to the workers' compensation award, provide for a full day's wage salary.
- h. During all paid leaves of absence, whether industrial accident leave as provided in this Section, sick leave, vacation, compensated time off or other available leave provided by law or the action of a governing board, the employee shall endorse to the employee wage loss benefit checks received under the worker's compensation laws of this State. The District, in turn, shall issue the employee appropriate warrants for payment of wages or salary, and shall deduct the normal retirement and other authorized contributions. Reduction of entitlement to leave shall be made only in accordance with this Section.
- i. When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of the person's position, the person shall, if not placed in another position, be placed on a reemployment list for a period of 39 months without pay. When available, during the 39-month period, the person shall be employed in a vacant position in the class of the person's previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case, the person shall be listed in accordance with appropriate seniority regulations.
- j. Any employee receiving benefits as a result of this Section shall, during periods of injury or illness, remain within the State of California unless the Governing Board authorizes travel outside the state.
- k. The leave of absence shall be reported in the month in which the leave is taken, by the employee submitting leave on electronic leave report.

**10. Personal Necessity Leave**

- a. Days accumulated for sick leave purposes may be used by an employee, at his/her/their election, in cases of personal necessity. No such accumulated leave in excess of seven (7) days shall be used in any one fiscal year for personal necessity purposes.

Personal necessity is defined as any of the following:

1. Death or serious illness of a member of his/her/their immediate family when additional leave is required beyond that provided in Section 1.a above.
2. Accident involving his/her person or property, or the person or property of a member of his/her/their immediate family.
3. Appearance in any court or before any administrative tribunal as a litigant, party or witness under subpoena or any order made with jurisdiction, including adoption hearing.

Such obligations do not include any extension of holidays and/or weekends or any recreational matters of personal convenience.
5. Religious holidays.

- b. Advance permission shall not be required for leave taken under Sections a.1 and a.2 above.

The unit member shall submit a written request to his/her/their immediate supervisor designating which section "1" through "5" is involved, but shall not require any statement of reason beyond such designation. Such written request shall be signed under penalty of perjury (affidavit). This request shall be submitted prior to taking the leave except as specified in Section b above.
- d. The sick leave used for personal necessity shall be reported in the month in which the leave is taken, by the employee submitting leave on electronic leave report.

## **11. Uncompensated Leave**

The District recognizes that in certain instances, a classified employee may wish extended leave for personal reasons and that the District could benefit from the return of said employee. The District reserves the right to specify the conditions under which uncompensated leave may be taken.

**c. Application:**

Requests for uncompensated leave of more than twenty-two (22) working days (long-term) shall be made to the Superintendent/President through the immediate supervisor at least thirty (30) calendar days in advance of the desired start date. Uncompensated leaves of more than twenty-two (22) working days may be extended following thirty (30) calendar day advance notice which must be approved through the established lines of authority. The leave of absence shall be reported in the month in which the leave is taken, by the employee submitting leave on electronic leave report.

**12. Employee/Family Care Leave (Unpaid)**

It is the intent of this Section of the collective bargaining agreement to make available to unit members leave under the Federal Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) (Government Code Section 12945.2). This Section shall be applied and interpreted in accordance with the state and federal law and regulations. All leave under this section is unpaid.

- a. Eligibility:** A unit member who has worked in the District for 12 months and provided a minimum of 1,250 hours of service during the previous 12 months (rolling) is eligible for the leaves described below. Unit members who work less than 12 months each year (e.g., 9, 10, or 11-month employees), are considered to have met the 12-month requirements so long as they meet the 1,250 hour requirement.

**b. Purposes for Which Leave May be Taken:**

1. Birth, adoption or foster care placement of a child (within one year of event).
2. Care of a family member with a serious health condition:
  - a. Family member includes spouse, parent (including person who stood in loco parentis to the employee), child (including foster, step and adult children and legal wards),

grandchild, grandparent, domestic partner, sibling, and designated person (under CFRA).

1. "Designated person" for CFRA purposes means "any individual related by blood or whose association with the employee is the equivalent of a family relationship."
2. "Designated person" for California's Healthy Workplaces Healthy Families Act (HWHFA) purposes means "a person identified by the employee at the time the employee requests paid sick days" under the HWHFA and for Kin Care. The individual need not be related by blood to the employee, and the association need not be the equivalent of a family relationship.
3. Unit members shall identify the designated person at the time they request the leave. Unit members may only identify one designated person per 12-month period (rolling).
4. The terms here regarding "designated person" are intended to reflect the law and do not extend availability of leave beyond legal requirements.

b. Serious Health Condition is defined as any illness, injury, impairment or physical or mental condition that requires either inpatient care in a hospital, hospice, or residential care facility, or continuing treatment by or under the supervision of a health care provider.

3. Unit members own serious health condition (except that CFRA excludes pregnancy disability which is covered under Government Code Section 12945).

1. Leave may be taken for a total of 12 work weeks in a 12-month period (rolling).
2. Leave is pro-rated for part-time employees.

4. Intermittent leaves shall be scheduled, to the extent possible, to minimize disruption to the District. An employee who requests leave on an Intermittent or a reduced leave schedule may be required to transfer temporarily to a position that better accommodates recurring periods of absence than the employee's regular position.

d. **Time for Commencement of Leave**

1. Leave for birth, adoption or foster care placement of a child must commence within one year of the birth, adoption or foster care event. Leave need not all be taken at one time.
2. The unit member shall be required to use personal necessity, if available, compensatory time, and accrued vacation, but not sick leave for situations other than the unit member's own serious health condition. FMLA leave runs concurrently with these leaves, beginning with the first day of absence.

3. If the situation is the unit member's own serious health condition, he/she/they shall be required to use sick leave, accrued vacation, compensatory time, five month "differential" leave, and all other applicable paid leave, beginning with the first day of absence. FMLA leave runs concurrently with these leaves, beginning with the first day of absence.
4. Pregnancy disability leave is treated separately under CFRA (See Government Code Section 12945)

**e. Employee Notice:**

1. If the need for leave is foreseeable, the unit member shall provide the District with reasonable (at least 30 days) written notice.
2. If the need for the leave is unforeseeable, notice must be given as soon as practicable.
3. The District may deny the leave for failure to provide notice if:
  - i. The unit member had no reasonable excuse for failure to give notice;
  - ii. The unit member actually knew of the notice requirements; and
  - iii. The need for leave was clearly foreseeable.

**f. Continuation of Benefits:**

1. The District will continue to pay the unit member's health benefits to the same extent the District would have paid for such benefits if the unit member would have continued working during the time of leave under this section.
2. If the unit member does not return at the end of the leave, the District will collect from the unit member the amount expended for benefits unless the failure to return is because of disability or other reasons beyond the control of the unit member.
3. The District will not continue to pay for dental and vision benefits. The unit member can make arrangements to pay for these benefits, if he/she/they wishes them to continue.
4. The District and the unit member cannot continue to pay the retirement contributions because the unit member must be in paid status for these contributions to continue.
5. The unit member cannot continue the short-term disability/long-term disability payment because the unit member must be in paid status to make this payment.

**g. Status While on Leave:** Leave does not constitute a break in service for purposes of seniority or longevity.

**h. Spouse Employees:** If both spouses are employed by the District, the aggregate leave for both employees is limited to a combined twelve (12) weeks for the care of a newly arrived child (birth, adoption or foster care placement) or a sick parent. For other purposes, each employee is entitled to twelve (12) weeks of leave.

i. **Medical Certification of Serious Health Condition**

1. The unit member shall provide to the District medical certification of the serious health condition of a child, spouse or parent and a statement that the serious health condition requires the participation of a family member to provide care.
2. The unit member shall provide to the District medical certification of his/her/their own serious health condition and the inability to perform the functions of his/her/their position.
3. Medical certification may be provided by a physician, osteopath or other health care provider designated by the Secretary of Labor. (Form provided by Human Resources)
4. The District may, at its expense, require additional medical evaluation and certification of the unit member's own serious health condition (but not of the unit member's spouse, parent or child).
5. The District shall require release to return to work from an employee's health care provider following leave for the unit member's own serious health condition.

- j. **Right to Reinstatement:** A unit member is entitled to reinstatement to the same or a comparable position, if the position exists at the time of the unit member's return.

## **ARTICLE 12**

### **PROMOTIONS/TRANSFERS**

#### **1. Filling a Vacancy**

When a new position in the classified unit is created, or an existing position becomes vacant, the vacancy will be posted for at least ten (10) full working days on the District web site and the CSEA President will be notified. The job vacancy notice shall include: job title, FTE, months per year assigned to the position, the salary range, work schedule, assigned area or department at time of hire, screening process, statement regarding Equal Employment Opportunity regulation compliance, and the deadline for applying to the vacancy.

A detailed job announcement and current job description shall be available from the District Human Resources Department.

#### **2. Transfers**

A "transfer" is a move from a permanent employee's current work location, department, and/or supervisor to another work location, department and/or supervisor in the District within the same job classification.

Permanent unit members may also increase their FTE (full-time equivalent) or MPY (month-per-year) through a transfer.

#### **3. Transfer Procedures**

##### **a. Single Applicant**

1. In order to be considered a transfer applicant, a permanent unit member must apply for the vacancy. Probationary unit members are not eligible for transfers.
2. If there is only one applicant eligible for a transfer opportunity, and the applicant's performance record is satisfactory, the transfer opportunity shall be approved. The supervisor/manager and a Human Resources representative will meet with that applicant and will explain the duties and expectations of the position. If the applicant is still interested in the transfer opportunity he/she/they will be placed in the assignment in "probationary status" for a period of thirty (30) work days. During the thirty (30) work day probationary period, either or both the supervisor/manager and the employee have the right to terminate the transfer assignment without cause.
3. During this thirty (30) work day probationary period, the applicant's former assignment will be left vacant and may be back filled by a substitute employee, to allow the employee to return to the former assignment.

##### **b. Multiple Applicants**

1. If there is more than one applicant for a transfer opportunity, all eligible applicants shall receive consideration before external applicants will be interviewed. The supervisor/manager

and a Human Resources representative will provide a group orientation with the applicants about the duties and expectations of the position. All applicants still interested in the transfer opportunity after this orientation will be interviewed by the supervisor/manager and a Human Resources representative.

2. The following criteria will be considered in making the final selection. Final selection is within the discretion of the District.
  - a. Reference letters that may be submitted at the time of application.
  - b. Previous performance evaluations (written and verbal from current supervisor/manager).
  - c. Specific skills required in the transfer assignment and the skill level of the applicant.
  - d. Seniority in the job classification.
3. Those applicants who are not selected for the transfer assignment will receive a written response from the District indicating the reason for non-selection with signatures from the immediate supervisor and the department/area manager.
4. The employee selected will be placed in the assignment in "probationary status" for a period of thirty (30) work days. During the thirty (30) work day probationary period, either or both the supervisor/manager and the employee have the right to terminate the transfer without cause.
5. During this thirty (30) work day probationary period, the applicant's former assignment will be left vacant and may be filled by a non-student substitute employee-to allow the employee to return to the former assignment.

#### **4. ADA Accommodation**

Notwithstanding the terms of this Article regarding transfer priority, if a vacancy occurs within the bargaining unit and the District has a legal obligation to provide reasonable accommodation under the ADA that calls for placement of that individual in the upcoming vacancy, the District and CSEA agree as follows:

- a. The District will provide notice to CSEA of the situation;
- b. The District will decide whether or not to place the individual needing accommodation in the vacant position based on the requirements of the vacant position, the qualifications of the individual needing accommodation, and other factors the District deems relevant;
- c. If the District decides to place the person needing accommodation in the newly open position, no posting of the position will be required.
- d. If the District decides not to place the person needing accommodation in the newly open position, the posting procedures described above will be followed.
- e. The District will notify the individuals and CSEA of any and all decisions.

## 5. Promotions

"Promotion" is the selection of a unit member through the application process for a vacant position in a higher classification.

## 6. Promotion Procedures

- a. In order to be promoted a permanent unit member must apply for the position. Probationary unit members are ineligible for promotion pursuant to this article. Probationary unit members may apply for promotional opportunities as an outside applicant.
- b. All internal applicants who are permanent unit members and meet the minimum qualifications for the position will be granted an interview.
- c. Internal applicants who are interviewed but not selected for the promotional opportunity will receive a written response from the District.
- d. **Permanent unit member selection for promotion.** If a permanent unit member is selected for promotion, the permanent unit member will be placed in the assignment in promotional "probationary status" for a period of thirty (30) work days. The District may extend the promotional probationary period by an additional thirty (30) work days. During the promotional probationary period, either or both the supervisor/manager and the employee have the right to terminate the promotion. See *also* Article 5, Evaluation.

During this promotional probationary period, the applicant's former assignment will be left vacant and may be back filled by a substitute employee-to allow the employee to return to the former assignment. ## ARTICLE 13

### DISCIPLINARY ACTION

#### PROGRESSIVE - DISCIPLINE, CORRECTIVE ACTION & DOCUMENTATION

**Definition:**    **Dismissal** - Removal from the employment of the District

**Suspension** - Temporary removal from work without pay. All other benefits remain in effect.

                  Paid Administrative Leave – Temporary removal from work with pay. All other benefits remain in effect.

#### 1.    **Guiding Principle**

A guiding principle is that employees want to be productive and contributing members of the college community. When an employee's performance begins to deteriorate or when a serious infraction occurs, it is important that the supervisor communicates their concerns with the employee in a timely manner. The seriousness of an infraction will determine the appropriate corrective action and/or discipline.

The supervisor is responsible for taking timely, progressive and constructive action to inform the employee of a performance problem or inappropriate behavior and the need to correct it before using increasingly stronger disciplinary measures if an employee fails to correct their performance.

The formal progressive discipline process shall include an in-person meeting. If the session fails to resolve the issue additional steps may include a verbal warning, a written reprimand, suspension or termination of employment. The disciplinary action taken must correlate to the seriousness of the infraction and the employee's performance history.

The employee's performance should be monitored by the supervisor to ensure that the employee is performing satisfactorily in fulfilling the requirements of their position. When the supervisor has knowledge or anticipates that a problem is developing, the employee shall be immediately notified and counseled to correct their performance or unacceptable behavior.

#### 2.    **Constructive Discipline and Corrective Action Steps**

##### a.    **In-Person Meeting**

The supervisor shall verbally inform the employee if there is a performance problem or unacceptable behavior, and what measures should be taken. The supervisor must give the employee reasonable time to correct their performance, along with explaining to the employee the consequences of not correcting the performance problem. A written memo should follow the verbal notice to the employee of the performance problem or unacceptable behavior.

**b. Verbal Warning**

The supervisor will provide a verbal-warning followed up with a summary in writing if the employee's performance or unacceptable behavior does not improve in the time frame discussed during the meeting. The supervisor will inform the employee of the unacceptable behavior or unsatisfactory job performance and the actions and timeframe necessary to improve their behavior or performance. The supervisor will explain to the employee the consequence of not correcting their performance problem or unacceptable behavior during the timeframe discussed. The verbal warning shall not be put in the employee's personnel file.

**c. Written Reprimand**

The supervisor shall issue a written reprimand if the employee's performance does not improve by the timeframe discussed. The written reprimand is a description of the unacceptable behavior or unsatisfactory job performance, and includes a review of the prior corrective action(s) taken, a factual statement of the circumstances causing the current corrective action and a clear notice of future performance expectations. The employee has the right to respond within ten (10) days following the receipt of the written reprimand. The written reprimand will be placed in the employee's personnel file after ten (10) days.

**d. Paid Administrative Leave**

If an employee needs to be removed from the workplace immediately because of a serious infraction or allegation about the employees' conduct before an investigation can be conducted, the employee will be noticed. Examples of these situations are suspected theft, potential sabotage and disorderly conduct posing a threat to the employee or other employees. In these situations, the supervisor must contact the Executive Director of Human Resources or designee immediately, who will determine if there is an immediate need to remove the employee from the workplace in order to investigate the situation. The employee will be suspended with pay pending the outcome of the investigation with the understanding that a final decision, and appropriate disciplinary action relative to the situation will be taken, up to and including dismissal. The employee will be given a written notice of the reasons for the suspension pending the outcome of an investigation.

**e. Suspension**

If the employee's performance does not improve after a written reprimand, the supervisor will notice the employee in writing that they will be placed on an involuntary unpaid leave temporary removal from employment of the District for a specific period, not to exceed five (5) work days. The written notice will include the reason(s) for the suspension. The notice shall also contain a statement of the right to a hearing on such charges. Benefits for the employee will continue during a suspension.

### **3. Cause for Disciplinary Action**

A permanent classified employee shall be subject to disciplinary action, for any of the following causes:

- a. Incompetency or inefficiency.
- b. Absence and/or repeated tardiness without authority or sufficient reasons.
- c. Insobriety or unauthorized use of narcotics or habit-forming drugs during duty hours.
- d. Insubordination or insolence or disrespect toward superiors.
- e. Dishonesty.
- f. Conviction of a felony, any crime involving moral turpitude, or any crime bringing discredit upon the District.
- g. Immoral conduct.
- h. Evident unfitness for service.
- i. Violation of or refusal to obey the education laws of the State or regulations of the District.
- j. Discourteous treatment of the public, pupils or other employees while on duty.

- l. Any conduct inimical to the welfare of the District or the students.
- m. For employees who drive a vehicle in the regular course of their employment:
  - i. Failure to maintain a good personal or business driving record;
  - ii. Failure to satisfy the insurability requirements of the District's insurance carrier under the District's regular insurance policies. The District's ability to obtain insurance for the employee under a high risk or any policy other than the regular insurance policies does not mitigate this failure.
- n. Neglect of duty.
- o. Material and intentional misrepresentation or concealment of any fact in connection with obtaining employment.
- p. Willful damage to public property or waste of public supplies or equipment.

q. Failure to possess or keep in effect any license, certificate or other similar requirement specified in the law or the employee's position description or otherwise necessary for the employee to perform the duties of the position.

r. Violation of a collective bargaining agreement.

s. Abandonment of job.

#### **4. Hearings**

##### **a. Notice of Proposed Disciplinary Action/Employee Right to Evidentiary Hearing**

Prior to the implementation of disciplinary action, any permanent classified employee against whom such action is initiated by the District shall be given written notice by the Superintendent/President or his/her authorized representative of the specific charges. The notice shall contain the reasons for the proposed action, a copy of the charges and all the material upon which it is based. The notice shall also contain a statement of the right to a hearing on such charges. If the employee wishes a hearing, the request for hearing must be submitted within ten (10) calendar days after service of the notice on the employee, and said notice shall be accompanied by a paper, the signing and filing of which with the Superintendent/President or authorized representative shall constitute a demand for a hearing and a denial of all charges. Failure of the employee to file a request for hearing within the time specified shall constitute a waiver of the employee's right to a hearing.

##### **b. Conduct of the Hearing**

- i. **Hearing Board** -- The Governing Board shall determine whether any hearing will be conducted before the entire Governing Board or one or more named members of the Governing Board or a Hearing Board or officer appointed by the Governing Board, and shall make such appointments as may be necessary. The term "Hearing Board" shall mean any board, board member or other person named or appointed under this Article to hear any hearing. The hearing shall be in executive session (closed) unless the employee requests in writing that the hearing be held in open (public) session.
- ii. **Notice of Hearing** -- The Governing Board or the Hearing Board shall set the matter for hearing and shall give the employee at least five (5) working days notice in writing of the date and place of such hearing.
- iii. **Released Time** -- If the hearing is held during the work hours of employee(s), witness(es) and such employee(s) shall be released without any loss of pay or benefits, to appear at the hearing.
- iv. **Rights of Employee** -- The employee shall attend any hearing, unless excused by the Governing Board or the Hearing Board and shall be entitled to:
  1. The employee may, upon request, have copies of the materials upon which the charges are based;

2. be represented by counsel or any other person at such hearing;
3. testify under oath;
4. compel the attendance of other employees of the District to testify in his or her behalf;
5. cross-examine all witnesses appearing against him or her and all employees of the District whose actions are in question or who have investigated any of the matters involved in the hearing and whose reports are offered in evidence before the Hearing Board;
6. impeach any witness;
7. present such affidavits, exhibits and other evidence as the Hearing Board deems pertinent to the inquiry;
8. argue his or her case.

The party attempting to substantiate the charges against the employee shall be entitled to the same privileges.

- v. **Evidence** - The hearing shall be informal and need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be admitted for any purpose but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege and of official or judicial notice shall be effective to the same extent as in civil actions. Irrelevant and repetitious evidence shall be excluded. Oral evidence shall be taken only under oath or affirmation.
- vi. **Exclusion of Witnesses** - The Hearing Board may at its discretion exclude witnesses not under examination, except the employee and the party attempting to substantiate the charges against the employee, and their, respective counsel. When hearing testimony on scandalous or indecent conduct, all persons not having a direct interest in the hearing may be excluded.
- vii. **Burden of Proof** - The burden of proof shall be upon the party attempting to substantiate the charges.
- viii. **Findings and Decision** - Upon completion of the hearing, Findings of Fact and Conclusions of Law shall be signed and filed by the Governing Board, which shall constitute its decision. If the hearing is not before a quorum of the Governing Board, written findings and conclusions shall be submitted by the Hearing Board to the Governing Board for its approval. If the Governing Board accepts such findings and conclusions, it need not read the record of the hearing; if it declines to accept such findings and conclusions, it must read the record or hold a new hearing, after which it

may adopt the findings and conclusions made by the Hearing Board, or make its own findings and conclusions.

Unless the decision provides otherwise, it shall be effective immediately. Notice of the decision shall be mailed promptly to the employee or his/her counsel or representative. Except for the correction of clerical error, such decision shall be final and conclusive, subject only to judicial review.

- c. **Report of Hearings** - The hearing shall be recorded by the District. At least two (2) work days prior to the hearing, the employee may inquire how the hearing will be recorded. If a court reporter is not to be used and the employee requests that such reporter be used, the cost shall be borne by the employee unless the District desires a copy of the transcript and then the cost of the reporter and of the transcript shall be borne equally between the District and the employee.
- d. **Transcripts of Hearings** - Transcripts of hearings shall be furnished to any person on payment of the cost of preparing such transcripts. When transcripts are provided by the employees of the District, the cost shall be determined by the Vice President of College Operations. When transcripts are provided by an independent contractor, the cost will be established by the independent contractor.
- e. **Continuances** - The Hearing Board may grant a continuance of any hearing upon such terms and conditions as it may deem proper, including in its discretion the condition that the employee shall be deemed to have waived salary for the period on continuance. Any request for continuance made less than 48 hours prior to the time set for the hearing will be denied unless good cause is shown for the continuance.

## 5. **Alternative Hearing**

As an alternative to the type of hearing provided for in subdivision 3. above, the employee may request that the hearing to be conducted be an informal one by so stating in his/her demand for hearing. In the event the employee requests an informal hearing, and his or her collective bargaining representative agrees, the Superintendent/President or designee shall arrange with the employee for the type of informal hearing to be conducted and the parties may agree in writing upon what person or persons shall hear the matter and how the hearing shall be conducted. In the event the parties fail to agree in writing within five (5) working days after filing of the notice of demand for hearing upon who shall hear the matter and how it shall be conducted, the hearing shall be conducted as provided for in subdivision 3. above. In the event the matter is informally heard as agreed upon in writing, the decision of the persons hearing the matter shall be final and conclusive, and there shall be no right of appeal by the employee to the Governing Board or to the courts unless otherwise stipulated in the written agreement to handle as an informal hearing.

## **ARTICLE 14**

### **CLASSIFICATION, RECLASSIFICATION, AND ABOLITION OF POSITIONS**

#### **1. Job Descriptions**

The District shall provide CSEA with notice and opportunity to bargain regarding changes to job descriptions on wages or terms and conditions of employment.

Each job description shall be reviewed by the supervisor and the employee during the performance evaluation process. Any recommended changes shall be submitted in writing to HR for consideration and potential negotiations.

#### **2. Placement in Class**

Every bargaining unit position shall be placed in a classification. Classification of positions will follow the agreed upon salary schedule. Classification of a position will include a written job description which contains an accurate and concise description of duties and responsibilities, and skills, knowledge and abilities required to perform the job.

#### **3. Salary Survey**

When initiated by mutual agreement of CSEA and the District, and in 2023, the District will conduct a study comparing the CSEA salary schedule and classifications to a comparable list of institutions (from the Bay 10 community college districts – Peralta, Contra Costa, Foothill de Anza, San Mateo, West Valley Mission, Ohlone, Chabot Las Positas, San Francisco City College, San Jose Evergreen) to ensure comparable salaries and that job descriptions accurately reflect the duties performed. The results of the study (classification and salary survey) will be reviewed by the District and CSEA for implementation as may be mutually agreed upon as part of successor contract negotiations. Changes for specific classifications will be considered in accordance with Article 14, Section 6.B.

#### **4. New Positions or Classes of Positions**

All newly-created positions or classes of position classifications, unless specifically exempted by law, shall be assigned to the bargaining unit if the job descriptions describe duties performed by employees in the bargaining unit or which by the nature of the duties should reasonably be assigned to the bargaining unit. Any dispute regarding this paragraph shall be solely determined by PERB. The District shall notify CSEA of any proposed new classification to be assigned to the unit and negotiate its salary with CSEA.

#### **5. Downward Adjustment**

Any downward adjustment of any classification or position within a classification shall be considered a demotion and shall take place only as a result of following the layoff (classification or position within a classification) or disciplinary (person in a position within a classification) procedures of this Agreement, as applicable.

## 6. Reclassification

### a. Definition:

1. Reclassification is a change in range based on any of the following reasons:
  - a. New job duties with significantly increased difficulty/complexity, scope and/or significantly higher level of responsibility are either gradually added or eventually added to the requirements of the position. The employee must be consistently asked to perform tasks not contemplated in his/her/their job.
  - b. An extraordinary need for change, such as because of an ongoing shortage of applicants for, excessive turnover in, or unique skills required for the position.
2. Increase in workload is **NOT** considered to be a valid reclassification request.

### b. Process: The process for an employee to request a reclassification consists of the following steps:

1. An employee may request a review of the classification of her or his position. The review will be based on the employee's job description, duties performed and recommendations of the supervisor. An employee may submit no more than one (1) request in a two (2) year period. An employee must serve in the current classification for at least two (2) years prior to submitting a request.
2. To submit a reclassification request, the employee must complete the reclassification request form (Attachment Q) and submit it to Human Resources on or before October 1. The employee must submit a request to Human Resources on or before October 1 in order to have the request considered during that fiscal year. The employee is responsible for submitting evidence in support of each component of the reclassification request.
3. After October 1 of a fiscal year in which reclassification requests are submitted, Human Resources will convene the Reclassification Committee to consider submitted requests. The Reclassification Committee will meet as necessary for full consideration of requests and completion of the classification review process. The request review process shall be completed on or before February 1.
4. The Reclassification Committee will review requests as outlined in section 8 below.
5. The date on which the approved reclassification takes effect, for purposes of salary and seniority in the classification, shall be the date on which the reclassification duties commenced. Retroactive pay will be limited to July 1 of the year the employee filed the request that was approved. Any out-of-classification pay already received by the employee for the work will be factored into any retroactive pay calculation.
6. The Reclassification Committee shall notify Human Resources, the employee, and their supervisor of the outcome of the reclassification review. If the Reclassification Committee reaches a consensus, the decision shall be binding on the employee/classification. If the Reclassification Committee is split, the matter shall be recommended to CSEA and the District to resolve. Within ten (10) calendar days of receiving the reclassification decision, the employee

may request a meeting with a District representative and CSEA representative regarding the decision. The Reclassification Committee or CSEA/District may reevaluate the decision at its discretion following a meeting with the employee. If the Reclassification Committee or CSEA/District reaches a consensus following any meeting, the decision is binding.

7. When a reclassification request is approved, or approved as adjusted by the Reclassification Committee, Human Resources shall refer the Reclassification Committee's final recommendations to the Negotiations Committee to finalize and sign off prior to implementation.

## **8. Reclassification Committee and Review of Requests:**

- a. The Reclassification Committee shall consist of up to three (3) unit members selected by CSEA and up to three (3) employees selected by the District to work on a procedure.
- b. The Reclassification Committee will establish internal committee procedures and may request additional information concerning the applicant's position as needed. Information may include, but not be limited to, desk audit, interviews, and comparable salary data from the Bay 10 community college districts.
  1. Although the Reclassification Committee may request additional information from the applicant, it is the applicant's responsibility to include all information and evidence that he/she/they consider relevant with the original request. Applicants are not entitled to supplement their application after submitting it.
  2. If the Reclassification Committee determines that interviewing the employee or supervisor is necessary as part of its review of a request, the Reclassification Committee will interview both the employee and the supervisor.
  3. When the Reclassification Committee chooses to interview employees, they will get release time to appear before the Reclassification Committee.
  4. The Reclassification Committee may compare the CSEA salary schedule and classifications to a comparable list of institutions (from the Bay 10 community college districts – Peralta, Contra Costa, Foothill de Anza, San Mateo, West Valley Mission, Ohlone, Chabot Las Positas, San Francisco City College, San Jose Evergreen) to review comparable salaries and consider similar job descriptions to accurately reflect the duties performed.
- c. All recommendations of the Reclassification Committee shall be made by a majority vote, with all committee members present by remote attendance (telephone or video conference) or in person for the vote.
- d. Any Classified Committee Member whose position is being considered for reclassification will be recused from the Committee and temporarily replaced by another Classified Employee designated by the remaining Classified Committee Members.

- c. Any notice required under Education Code section 88017 shall be deemed sufficient when it is delivered in-person to the unit member, or when it is deposited in the U.S. registered mail, postage prepaid, and addressed to the last known address of the unit member.

#### 3. **Reduction in Hours**

Any reduction in regularly assigned time as an alternative to layoff shall be considered a layoff under the provisions of this Article.

**7. Equal Seniority**

If two (2) or more employees subject to layoff have equal class seniority, the determination as to who shall be laid off will be made on the basis of the hire date seniority and, if that is equal, then the determination shall be made by lot.

**8. Reemployment Rights**

Laid off persons are eligible for reemployment in the class from which they were laid off for a thirty-nine (39) month period and shall be reemployed in the reverse order of layoff, if vacancies occur within the classification.

**9. Voluntary Demotion or Voluntary Reduction in Hours**

An earlier return date may be established if mutually acceptable.

**13. Seniority Roster**

On an annual basis, by August 1, the District shall provide CSEA with the current seniority roster. CSEA will review the roster and notify the District of any concerns. Failure of either the District or CSEA to circulate and/or review the seniority roster shall not invalidate any layoff. However, in accordance with the Education Code section 88017, errors on the seniority roster can remain on a basis to challenge a layoff.

**14. Final Pay**

Vacation and compensatory time earned and unused at the time of layoff shall be computed and paid with the final pay warrant due the employee.

**15. Restoration of Sick Leave**

Sick leave hours earned and unused at the time of layoff shall be restored to the employee upon reemployment within the legal reemployment period.

CSEA and the District shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request that the State Conciliation Service supply a panel of five (5) names of persons experienced in hearing grievances in public schools. The order of the striking shall be determined by lot. Each party shall alternately strike a name until only one (1) name remains. The remaining panel member shall be the arbitrator.
2. If either the District or CSEA so requests, a separate arbitrator shall be selected to hear the merits of any issue raised to determine arbitrability of a grievance. No hearing on the merits of the grievance will be conducted until arbitrability of a grievance is determined. The process to be used in selecting an arbitrator shall be as set forth in Section a. above.

The fees and expenses of the separate arbitrator determining the arbitrability of shall be borne by the party that raised the question of arbitrability of a grievance.

3. The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues so submitted. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.
4. The District and CSEA agree that the jurisdiction and authority of the arbitrator so selected and the opinions the arbitrator expresses will be confined exclusively to the interpretation of the express provision or provisions of this Agreement at issue between the parties. The arbitrator shall have no authority to add to, subtract from, alter, amend, or modify any provisions of this Agreement or impose any limitations or obligations not specifically provided for under the terms of this Agreement. The arbitrator shall be without power or authority to make any decision that requires the District or the administration to do an act prohibited by law.
5. After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties the findings and award.
6. The award of the arbitrator shall be final and binding.
7. The fees and expenses of the arbitrator and the hearing shall be shared equally by the District and CSEA. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other. Either party may request a certified court reporter to record the entire arbitration hearing. The cost of the services of such court reporter shall be paid by the party requesting the reporter or shared by the parties if they both mutually agree. If the arbitrator requests a court reporter, then the costs shall be shared by both parties.
8. By filing a grievance and processing it beyond Level IV, the grievant expressly waives any right to statutory remedies or to the exercise of any legal process other than as provided by this grievance/arbitration procedure. The processing of a grievance beyond Level IV shall constitute an express election on the part of the grievant that the grievance/arbitration procedure is the chosen forum for resolving the issues contained in the grievance, and that the grievant will not resort to any other forum or procedure for the resolution or review of the issues. The parties do not intend by the provisions of this paragraph to preclude the enforcement of any arbitration award in any court of competent jurisdiction.

**g. Distribution of District Responses to Grievance**

1. If the grievance is filed by a member of the bargaining unit ("unit member"), the District response(s) to the grievance shall be distributed by the District to the unit member by certified mail and by regular mail to the CSEA Field Representative and in-house mail to the CSEA Chief Job Steward.

- ☐ Operational needs of the District
  - *Operational needs of the department/work area/District include, but are not limited to: job duties; student needs; student success goals; supervision; ensuring all staff are in-person together for some time to facilitate interaction; effective communication; ensuring there is a presence of people in an area across times of day; closing offices for certain days; staffing needs; safety and wellness; and other relevant factors*
- ☐ Academic calendar and instructional/non-instructional days
- ☐ Considerations related to building and maintaining community
- ☐ Nature of my job
