And try convenient tools including:

- Pharmacy Search
- Drug Search
- Drug Side Effect and Interaction Search

Convenient Access to Your Pharmacy Benefits

Get the information you need to take full advantage of your pharmacy benefit.

- Check your formulary (drug list) on the Navitus member portal to find out if your medication is covered. You can also look up which cost tier a medication is covered under. Tier 1 drugs are often the lowest cost option.
- Use the Find a Drug tool on the Navitus member portal to look up drug cost and coverage.
- Find a network pharmacy and get the best value on your prescriptions

Visit memberportal.navitus.com or scan the QR code to get started today.

Member portal is only available to active members. Features may vary by plan. Your out-of-pocket cost may vary based on drug costs, plan design and contracts. QR codes may identify your IP/device information. However, your personal and health information is strictly confidential and will not be captured.
