Find Jobs

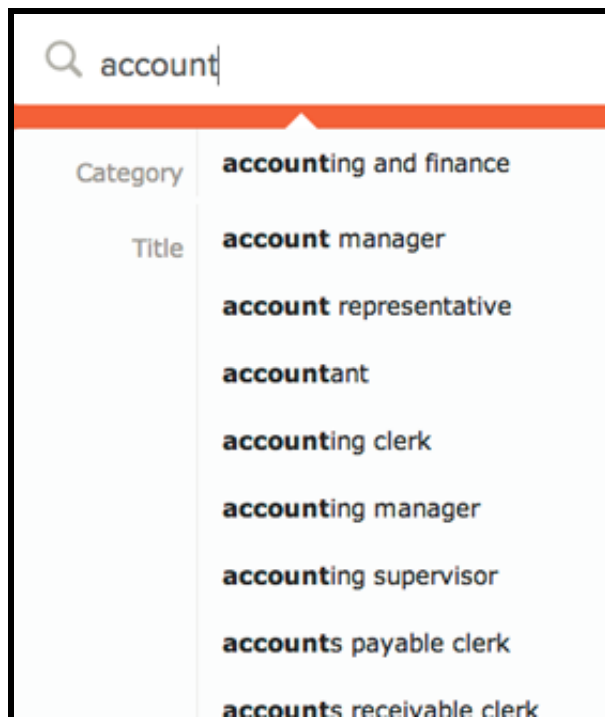

You can find jobs using search as follows.

1. Type a job title in the search box. You can further limit the search by providing a state, city, or zip code. For example:

A search bar with three sections. The first section contains a magnifying glass icon and the text 'accounting clerk'. The second section contains a location pin icon and the text 'california'. The third section is a red button with the text 'Find Jobs'.

As you type in these boxes, it suggests jobs or locations that match, for example:

A search bar with the text 'account' and a magnifying glass icon. Below the search bar is a dropdown menu with a red header bar. The dropdown menu has two columns: 'Category' and 'Title'. The 'Category' column contains the text 'accounting and finance'. The 'Title' column contains the following job titles: 'account manager', 'account representative', 'accountant', 'accounting clerk', 'accounting manager', 'accounting supervisor', 'accounts payable clerk', and 'accounts receivable clerk'.

Category	Title
accounting and finance	account manager
	account representative
	accountant
	accounting clerk
	accounting manager
	accounting supervisor
	accounts payable clerk
	accounts receivable clerk

2. Click Find Jobs.
