If You start working for the Employer after the Plan Effective Date, You will be eligible for coverage on the first day of the month following the date on which You complete a waiting period of 90 days of continuous service.

ELIGIBILITY AND ENROLLMENT

Who are Eligible Persons?

All persons in the class or classes shown in the Schedule of Insurance will be considered Eligible Persons.

When will You become eligible?

You will become eligible for coverage on either:

1. the Plan Effective Date, if You have completed the Eligibility Waiting Period; or if not
2. the date on which You complete the Eligibility Waiting Period.

See the Schedule of Insurance for the Eligibility Waiting Period.

How do You enroll?

To enroll You must:

1. complete and sign a group insurance enrollment form which is satisfactory to us; and
2. deliver it to the Employer.

If You do not enroll within 31 days after becoming eligible, the following limitations will apply to a later enrollment:

1. You must submit Evidence of Insurability satisfactory to us; and
2. You may not enroll until:
 - a) an Annual Enrollment Period; or
 - b) You have a Change in Family Status.

Any such enrollment must be made during the Annual Enrollment Period or within 31 days of the Change in Family Status.

The dates of the Annual Enrollment Period are shown in the Schedule of Insurance.

What constitutes a Change in Family Status?

A Change in Family Status means:

1. Your marriage, or the birth or adoption of a child, or becoming the legal guardian of a child; or
2. the death of or divorce from Your spouse; or
3. the death of or emancipation of a child.

What is Evidence of Insurability?

If You are required to submit Evidence of Insurability, You must:

1. complete and sign a health and medical history form provided by us;
2. submit to a medical examination, if requested;
3. provide any additional information and attending physicians' statements that we may require; and
4. furnish all such evidence at Your own expense.

We will then determine if You are insurable under the plan.

WHEN COVERAGE STARTS

When does Your coverage start?

If You must contribute towards the plan's cost, Your coverage will start on the date determined below:

1. the date You become eligible, if You enroll or have enrolled by then;
2. the date on which You enroll, if You do so within 31 days after the date You are eligible;
3. the date we approve Your Evidence of Insurability, if You are required to submit Evidence of Insurability; or
4. the first day of the month following the Annual Enrollment Period if You enroll during an Annual Enrollment Period.

Will coverage become effective if a disabling condition causes You to be absent from work on the date it is to start?

If You are absent from work due to Your:

1. accidental bodily injury;
2. sickness;
3. pregnancy;
4. Mental Illness; or
5. Substance Abuse,

on the date Your insurance or increase in coverage would otherwise have become effective, the effective date of the coverage or increase in coverage will be deferred until You have been Actively at Work for one full work-day.

CHANGES IN COVERAGE

Can You change benefit options?

You may change to an option providing increased or decreased benefits only:

1. during an Annual Enrollment Period; or
2. within 31 days of a Change in Family Status.

An increase in coverage will be subject to Your submission of Evidence of Insurability that meets our approval.

When will a requested change in benefit options take effect?

If You enroll for a change in benefit option during an Annual Enrollment Period, the change will take effect on the later of:

1. the first day of the month following the Annual Enrollment Period; or
2. the date we approve Your Evidence of Insurability, if You are required to submit Evidence of Insurability.

If You enroll for a change in benefit option within 31 days following a Change in Family Status, the change will take effect on the later of:

1. the date You enroll for the change; or
2. the date we approve Your Evidence of Insurability if You are required to submit Evidence of Insurability.

Any such increase in coverage is subject to the limitations stated in the Deferred Effective Date provision.

Do coverage amounts change if there is a change in Your class or Your rate of pay?

Your coverage may increase or decrease on the date there is a change in Your class or Weekly Earnings. However, no increase in coverage will be effective unless on that date You:

1. are an Active Full-time Employee; and
2. are not absent from work due to Your being Disabled.

If You were so absent from work, the effective date of such increase will be deferred until You are Actively at Work for one full day.

No change in Your Weekly Earnings will become effective until the date we receive notice of the change.

What happens if the Employer changes the Plan?

Any increase or decrease in coverage because of a change in the Schedule of Insurance will become effective on the date of the change, except that the limitations on increases stated in the Deferred Effective Date provision will apply.

BENEFITS

How do benefits become payable for Total Disability?

If, while covered under this Benefit, you become Totally Disabled, and furnish proof to us that you remain Totally Disabled, we will pay the Weekly Benefit shown in the Schedule of Insurance.

The amount of any Weekly Benefit payable shall be reduced by the total amount of Other Income Benefits You receive as described in the Definitions section of this Policy. The amount of Your Weekly Benefit may also be reduced by certain benefits You could reasonably be expected to receive but for which You did not apply as described in the Definitions Section of the Policy. The Weekly Benefit will also be reduced by Your Current Weekly Earnings as described in the Partial Disability section of the Policy.

See the Schedule of Insurance for the Weekly Benefit, the Minimum Weekly Benefit, the Maximum Duration of Benefits, and when Benefits Commence.

No benefits will be payable unless you are under the care of a Physician other than yourself.

Loss of License: Your failure to pass a physical examination required to maintain a license to perform the duties of Your Occupation alone, does not mean that You are Disabled. However, information relating to Your loss of license supporting Your claim for benefits may be submitted as part of Your proof of Loss.

How is a benefit calculated for a period of less than a week?

If a Weekly Benefit is payable for less than a week, we will pay 1/7 of the Weekly Benefit for each day you were Disabled.

PARTIAL DISABILITY BENEFITS

How are benefits paid for Partial Disability?

If while covered under this benefit, You become Disabled and work on a part-time or limited duty basis because You are Partially Disabled, for the first 12 months of a return to work, We will reduce Your Weekly Benefit by Current Weekly Earnings only to the extent that such earnings when added to the Weekly Benefit payable exceed 100% of Your weekly Pre-disability Earnings.

How are benefits calculated after twelve months of benefits have been paid?

After the first 12 month period of any Partial Disability and for any remaining or additional periods of Partial Disability, Your Weekly Benefit will be calculated as follows:

- 1) Multiply Your Indexed Pre-disability Earnings by the Benefit Percentage;
- 2) Compare the result with the Maximum Benefit; and
- 3) From the lesser amount, deduct Other Income Benefits and 50% of Your Current Weekly Earnings.

The result is Your Weekly Benefit.

Your Weekly Benefit, however, will not be less than the Minimum Weekly Benefit shown in the Schedule of Insurance.

If you are participating in a program of Rehabilitative Employment, your Weekly Benefit will be determined by the Rehabilitative Employment Benefit.

How is a benefit calculated for a period of less than a week?

If a Weekly Benefit is payable for less than a week, we will pay 1/7 of the Weekly Benefit for each day you were Disabled.

When will benefit payments cease?

Benefit payments will stop on the first to occur of:

1. the date you are no longer Disabled;
2. the date you fail to furnish proof that you continue to be Disabled;
3. the date you refuse to be examined, if we require an examination;
4. the last day benefits are payable according to the Maximum Duration of Benefits shown in the Schedule of Insurance; or
5. the date you die.

RECURRENT DISABILITY

What happens to your benefits if you return to work as an Active Full-time Employee and then become Disabled again?

If you return to work as an Active Full-time Employee for 15 consecutive days or more, any recurrence of a disability will be treated as a new Disability with respect to when Benefits Commence and the Maximum Duration of Benefits, as shown in the Schedule of Insurance.

If recurrent periods of Disability are:

1. due to the same or a related cause; and
2. separated by less than 15 consecutive days of work as an Active Full-time Employee,

they will be considered to be the same period of Disability.

MULTIPLE CAUSES

How long will benefits be paid if a period of Disability is extended by another cause?

If a period of Disability is extended by a new cause while weekly benefits are payable, weekly benefits will continue while you remain Disabled, subject to the following:

1. weekly benefits will not continue beyond the end of the original Maximum Duration of Benefits; and
2. the Exclusions will apply to the new cause of Disability.

VOCATIONAL REHABILITATION

What is Vocational Rehabilitation? Vocational Rehabilitation means employment or services that prepare You, if Disabled, to resume gainful work.

Our Vocational Rehabilitative Services include, when appropriate, any necessary and feasible:

1. vocational testing;
2. vocational training;
3. work-place modification;
4. prosthesis; or
5. job placement.

REHABILITATIVE EMPLOYMENT

Rehabilitative Employment means employment that is part of a program of Vocational Rehabilitation.

Do earnings from Rehabilitative Employment affect the Weekly Benefit?

If You are Disabled and are engaged in an approved program of Rehabilitative Employment, for the first 12 months that benefits are payable under this provision We will reduce Your Weekly Benefit by Your Current Weekly Earnings only to the extent that such earnings when added to the Weekly Benefit payable exceed 100% of Your weekly Pre-disability Earnings.

After 12 months of benefits have been paid under this provision and for any additional period of Rehabilitative Employment Your Weekly Benefit will be:

1. the amount calculated for Total Disability; but
2. reduced by 50% of the income received from each week of such Rehabilitative Employment.

The sum of Your Weekly Benefit and total income received under this provision may not exceed 100% of Your weekly Indexed Pre-disability Earnings. If this sum exceeds Your weekly Indexed Pre-disability Earnings, the Weekly Benefit paid by us will be reduced proportionately.

EXCLUSIONS

What Disabilities are not covered?

The plan does not cover, and no benefit shall be paid for, any:

1. injury, sickness, Mental Illness, Substance Abuse, or pregnancy not being treated by a Physician or surgeon;
2. Disability caused or contributed to by war or act of war (declared or not);
3. Disability caused by Your commission of or attempt to commit a felony, or to which a contributing cause was Your being engaged in an illegal occupation;
4. Disability caused or contributed to by an intentionally self-inflicted injury;
5. sickness or injury for which temporary Workers' Compensation benefits are paid; or
6. injury sustained as a result of doing any work for pay or profit for another employer.

If You are receiving, or are eligible to receive, benefits for a Disability under a prior plan of disability benefits that:

1. was sponsored by the Employer; and
2. was terminated on the day before the Effective Date of this plan,

then no benefits will be payable for the Disability under this plan.

TERMINATION

When does Your insurance terminate?

Your insurance will terminate on the earliest of:

1. the date the Group Insurance Policy terminates;
2. the date the Group Insurance Policy no longer insures Your class;
3. the date premium payment is due but not paid by the Employer;
4. the last day of the period for which You make any required premium contribution, if You fail to make any further required contribution;
5. the date on which You cease to be an Active Full-time Employee in an eligible class, including:
 - a) temporary layoff;
 - b) leave of absence; or
 - c) work stoppage (including a strike or lockout); or
 - d) the date Your Employer ceases to be a Participant Employer, if applicable.

May coverage be continued during a family or medical leave?

If You are granted a leave of absence according to the Family and Medical Leave Act of 1993, Your Employer may continue Your insurance for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by state law, following the date Your coverage would have terminated, subject to the following:

1. the leave authorization must be in writing;
2. the required premium for You must be paid;
3. Your benefit level, or the amount of earnings upon which Your benefit may be based, will be that in effect on the day before said leave commenced; and
4. such continuation will cease immediately if one of the following events should occur:
 - a) the leave terminates prior to the agreed upon date;
 - b) the termination of the Group Insurance Policy;
 - c) non-payment of premium when due by the Policyholder or You;
 - d) the Group Insurance Policy no longer insures Your class; or
 - e) the date Your Employer ceases to be a Participant Employer, if applicable.

Does Your insurance continue while You are Disabled and no longer an Active Full-time Employee?

If You are no longer an Active Full-time Employee because You are Disabled, Your Short Term Disability Insurance will be continued:

1. while You remain Disabled;
2. without payment of premium after the date we receive written notice of claim; and
3. until the end of the period for which You are entitled to receive Short Term Disability Benefits.

After Short Term Disability benefit payments have ceased, Your insurance will be reinstated, provided:

1. You return to work for one full day as an Active Full-time Employee in an eligible class;
2. the Group Insurance Policy remains in force; and
3. the required premium is paid.

Do benefits continue if the Group Insurance Policy terminates?

If You are entitled to benefits while Disabled and the Group Insurance Policy terminates, benefits:

1. will continue as long as You remain Disabled by the same disabling condition; but
2. will not be provided beyond the date we would have ceased to pay benefits had the insurance remained in force.

Termination for any reason of the Group Insurance Policy will have no affect on our liability under this provision.

GENERAL PROVISIONS

Time limits on Certain Defenses: What happens if facts are misstated?

After three years from the date of issue of this Policy, no misstatement of the employer, except a fraudulent misstatement made in the application shall be used to void the Policy; and after three years from the effective date of the coverage with respect to which any claim is made no misstatement of any employee eligible for coverage under the Policy, except a fraudulent misstatement, made in an application under the Policy shall be used to deny a claim for loss incurred or disability (as defined in the Policy) commencing after expiration of such three years.

Notice of Claim: When should We be notified of a claim?

Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to Us at our offices in Hartford, Connecticut, or to any of our authorized agents, with information sufficient to identify the insured, shall be deemed notice to the insurer.

Claim Forms: Are special forms required to file a claim?

We will, upon receipt of written claim notice, furnish to You such forms as are usually furnished by us for filing proof of loss. If such forms are not furnished within 15 days after We receive written notice of claim You shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Proof of Loss: When must proof of loss be given?

Written proof of loss must be furnished to the insurer in case of a claim for loss for which this policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which We are liable and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Physical Examinations and Autopsy: What additional proof of Disability are We entitled to?

At Our own expense, We shall have the right and opportunity to examine the person of any individual whose injury or sickness is the basis of claim when and as often as We may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death, where it is not forbidden by law.

Payment of Claims: Who gets the benefit payments?

All payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any indemnity of the policy shall be payable to Your estate or to a person or beneficiary who is a minor or otherwise not competent to give a valid release, We may pay such indemnity up to an amount not exceeding \$1000.00 to any relative by blood or connection by marriage of such person or beneficiary whom We deem to be equitably entitled thereto. Any payment We make in good faith pursuant to this provision shall fully discharge Us to the extent of such payment.

Time Payment of Claims: When are payment checks issued?

Indemnities payable under the policy for any loss other than loss for which the policy provides periodic payments will be paid as they accrue immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnity for loss for which the policy provides periodic payment will be paid on a weekly basis and any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

What notification will You receive if Your claim is denied?

If a claim for benefits is wholly or partly denied, You will be furnished with written notification of the decision. This written decision will:

1. give the specific reason(s) for the denial;
2. make specific reference to the policy provisions on which the denial is based;
3. provide a description of any additional information necessary to prepare a claim and an explanation of why it is necessary; and
4. provide an explanation of the review procedure.

What recourse do You have if Your claim is denied?

On any claim, You or Your representative may appeal to us for a full and fair review. You may:

1. request a review upon written application within 180 days of the claim denial;
2. request copies of all documents, records, and other information relevant to Your claim; and
3. submit written comments, documents, records and other information relating to Your claim.

We will make a decision no more than 45 days after we receive Your appeal unless we determine special circumstances exist that require an extension of time to process the appeal. If Your appeal requires extension, we will make our decision no more than 90 days after we receive Your appeal. The written decision will include specific references to the Policy provisions on which the decision is based.

Legal Action: When can legal action be started?

No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

What are our subrogation rights?

If You:

1. suffer a Disability because of the act or omission of a third party;
2. become entitled to and are paid benefits under the Group Insurance Policy in compensation for lost wages; and
3. do not initiate legal action for the recovery of such benefits from the third party in a reasonable period of time,

then we will be subrogated to any rights You may have against the third party and may, at our option, bring legal action to recover any payments made by us in connection with the Disability.

Must You apply for Social Security Disability Benefits?

We may require that You apply for Social Security Disability Benefits if it appears that Your Disability may meet the minimum duration required to qualify for such benefits. If the Social Security Administration denies Your eligibility for any such benefits, You will be required to follow the process established by the Social Security Administration to reconsider the denial and, if denied again, to request a hearing before an Administrative Law Judge of the Office of Hearing and Appeals.

How will We Determine Your Eligibility for Benefits?

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your eligibility for benefits for any claim You make on The Policy. We will:

- 1) obtain, with Your cooperation and authorization if required by law, only such information that is necessary to evaluate Your claim and decide whether to accept or deny Your claim for benefits. We may obtain this information from Your Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your option and at Your expense, You may provide Us and We will consider any other information, including but not limited to, reports from a Physician or other expert of Your choice. You should provide Us with all information that You want Us to consider regarding Your claim;

- 2) consider and interpret The Policy and all information obtained by Us and submitted by You that relates to Your claim for benefits and make Our determination Your eligibility for benefits based on that information and in accordance with the Policy and applicable law;
- 3) if We approve Your claim, We will review Our decision to approve Your claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with the Policy as described in the provision entitled "What notification will You receive if Your claim is denied?"

In the event We deny Your claim for benefits, in whole or in part, You can appeal the decision to Us. If You choose to appeal Our decision, the process You must follow is set forth in The Policy provision entitled "What recourse do You have if Your claim is denied?" If You do not appeal the decision to Us, then the decision will be Hartford's final decision.

DEFINITIONS

The terms listed will have these meanings:

Active Full-time Employee means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. Such employee must work the number of hours in the Employer's normal work week. This must be at least the number of hours for Full-time Employment shown in the Schedule of Insurance.

Actively at Work

You will be considered to be actively at work with the Employer on a day which is one of the Employer's scheduled work days if you are performing, in the usual way, all of the regular duties of your job on a Full-time basis on that day. You will be deemed to be actively at work on a day which is not one of the Employer's scheduled work days only if you were actively at work on the preceding scheduled work day.

Current Weekly Earnings means the weekly earnings You receive from work You perform for Your Employer or for another employer with whom You became employed after Your Disability commenced.

Employer means the Policyholder.

Mental Illness means any psychological, behavioral or emotional disorder or ailment of the mind, including physical manifestations or psychological, behavioral or emotional disorders, but excluding demonstrable structural brain damage.

Other Income Benefits mean the amount of any benefit for loss of income, provided to You as a result of the Disability for which You are claiming benefits under this plan. This includes any such benefits that are paid to You or to a third party on Your behalf. This includes the amount of any benefit for loss of income from:

1. the United States Social Security Act, Civil Service Retirement System, the Railroad Retirement Act, the Jones Act, the Canada Pension Plan, the Quebec Pension Plan or similar plan or act that You are eligible to receive because of Your Disability;
2. the Veteran's Administration or any other governmental agency for the same Disability;
3. any governmental law or program that provides disability benefits as a result of Your job with the Employer;
4. salary continuation or sick pay;
5. the portion of a settlement or judgment, minus associated costs, of a lawsuit that represents or compensates for Your loss of earnings;
6. any temporary disability benefits under a workers' compensation law, occupational disease law, or similar law.

Other Income Benefits also means the amount of any benefit for loss of income, provided to Your family from the United States Social Security Act, The Railroad Retirement Act, the Canada Pension Plan, the Quebec Pension Plan or similar plan or act that Your family is eligible to receive as a result of the Disability for which You are claiming benefits under this plan.

You will not be required to claim any retirement benefits which You may only get on a reduced basis.

Any general increase in benefits required by law that You are entitled to receive under any Federal Law will not reduce the Short Term Disability Benefit payable for a period of Total Disability that began prior to the date of such increase.

If You are paid Other Income Benefits in a lump sum, We will pro rate the lump sum:

1. over the period of time it would have been paid if not paid in a lump sum; or
2. if such period of time cannot be determined over a period of 26 weeks.

We may require:

1. Your signed statement identifying all Other Income Benefits; and
2. proof that You and Your family have duly applied for all Other Income Benefits We reasonably believe You or Your family are entitled to or eligible to receive as a result of the Disability for which You are claiming benefits under this plan.

You will be required to apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You will be required to apply within 45 days from the date of Our request. If the Social Security Administration denies Your eligibility for benefits, You will be required:

- 1) to follow the process established by the Social Security Administration to reconsider the denial; and
- 2) if denied again, to request a hearing before an Administrative Law Judge of the Office of Hearing and Appeals if such action can reasonably be expected to result in an award.

If You are eligible for benefits under The Canadian Pension Plan, The Quebec Pension Plan, Railroad Retirement Act, or other similar government plan You will be required to apply for such benefits if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits You are eligible to receive with reasonable diligence.

If Your disability was caused by a work injury, You will be required to apply for Workers' Compensation benefits with Your employer if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits with reasonable diligence.

If You are eligible for benefits from California State Disability Insurance or disability insurance from another state, You will be required to apply for California State Disability Insurance or disability insurance from another state if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits with reasonable diligence.

We will use any reasonable means to estimate the amount of Other Income Benefits payable under the Social Security Administration's Disability Income Program, the Canadian Pension Plan, The Quebec Pension Plan or any similar plan or act if We reasonably believe You or Your family are entitled or eligible to receive them but You or Your family have not applied; or failed to pursue them with reasonable diligence; or You have failed to provide Us with proof that You or Your family have applied for and reasonably pursued these benefits. We will deduct the estimated amount of this benefit from Your Weekly Benefit payable under this plan even if You or Your family are not receiving these benefits.
